At this point my head is empty
I don't know what I'm going to do

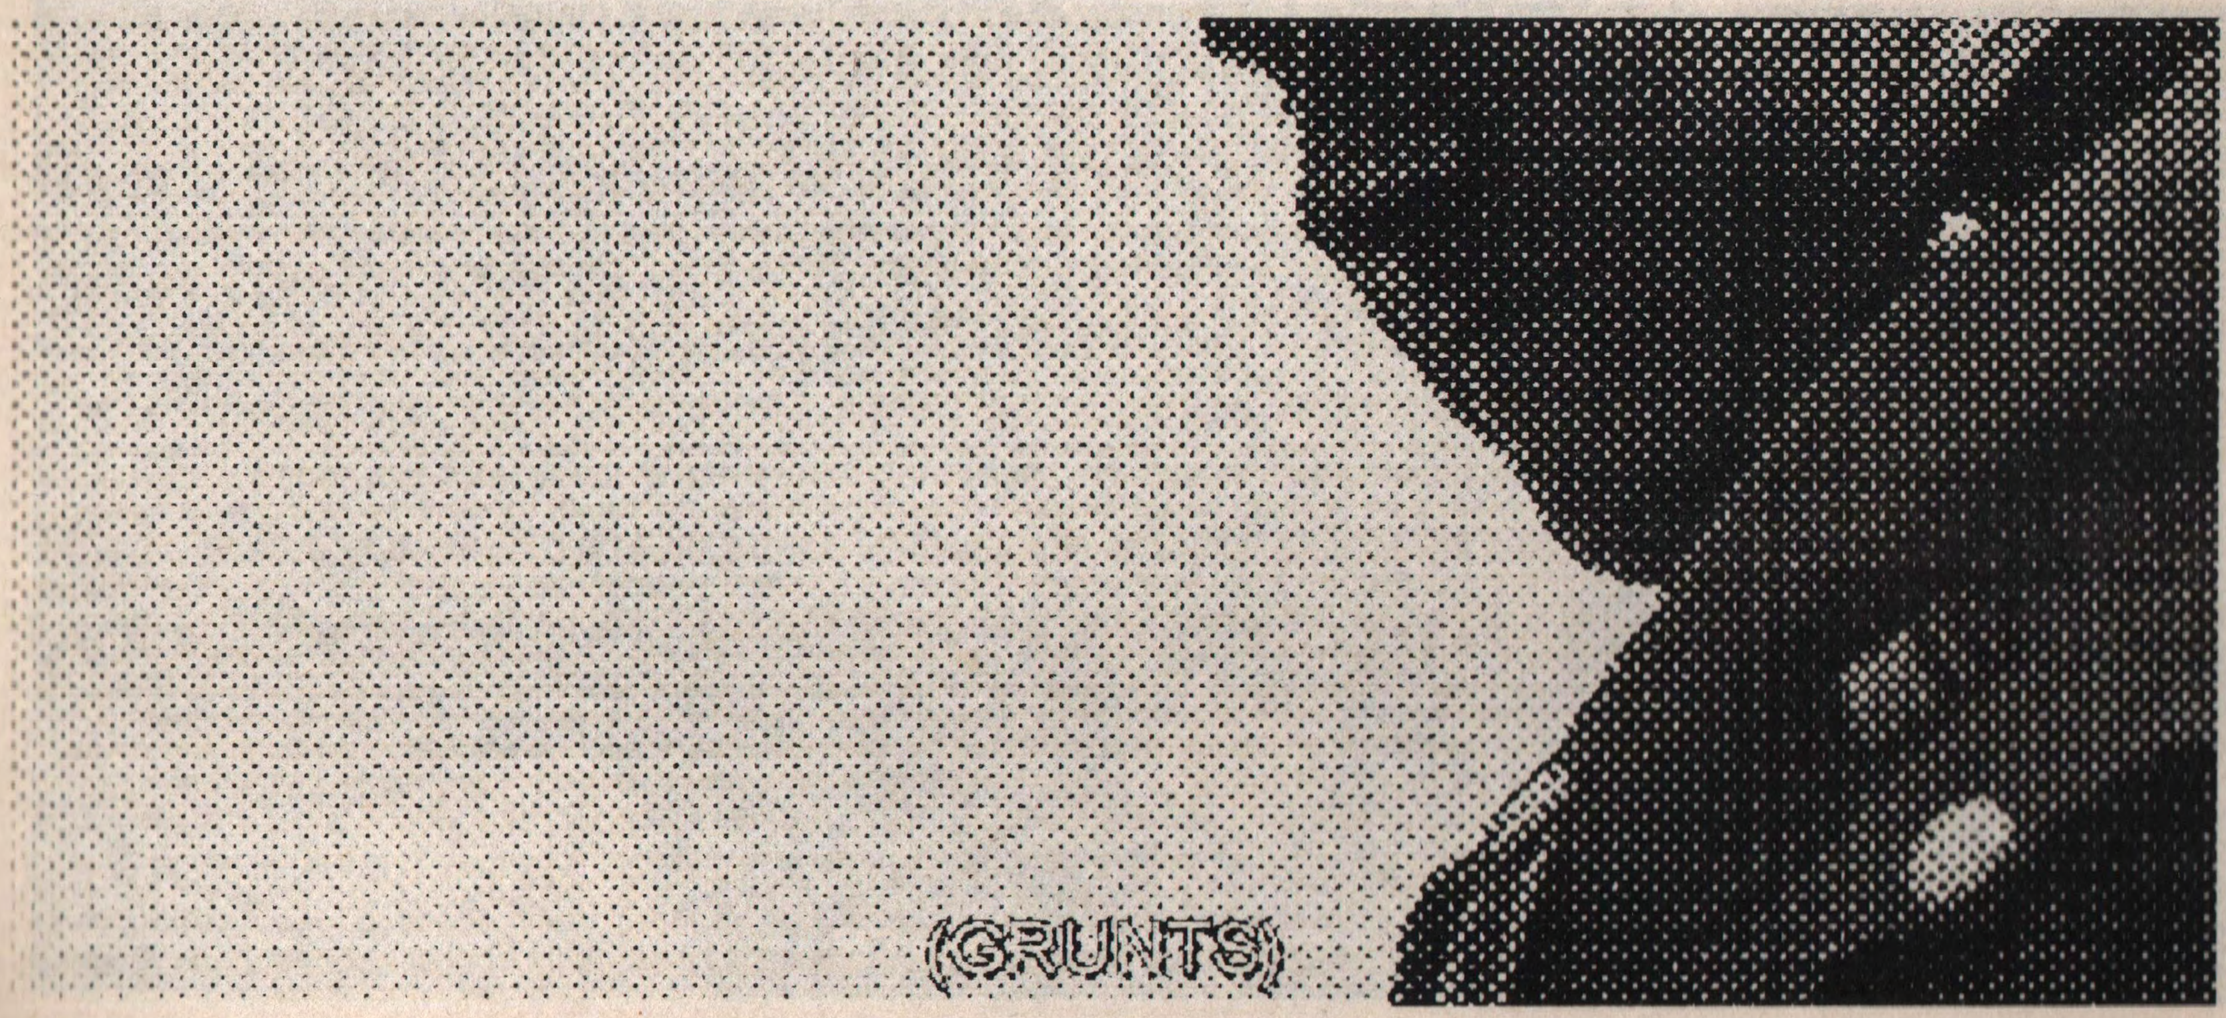

These are experiences I cannot erase

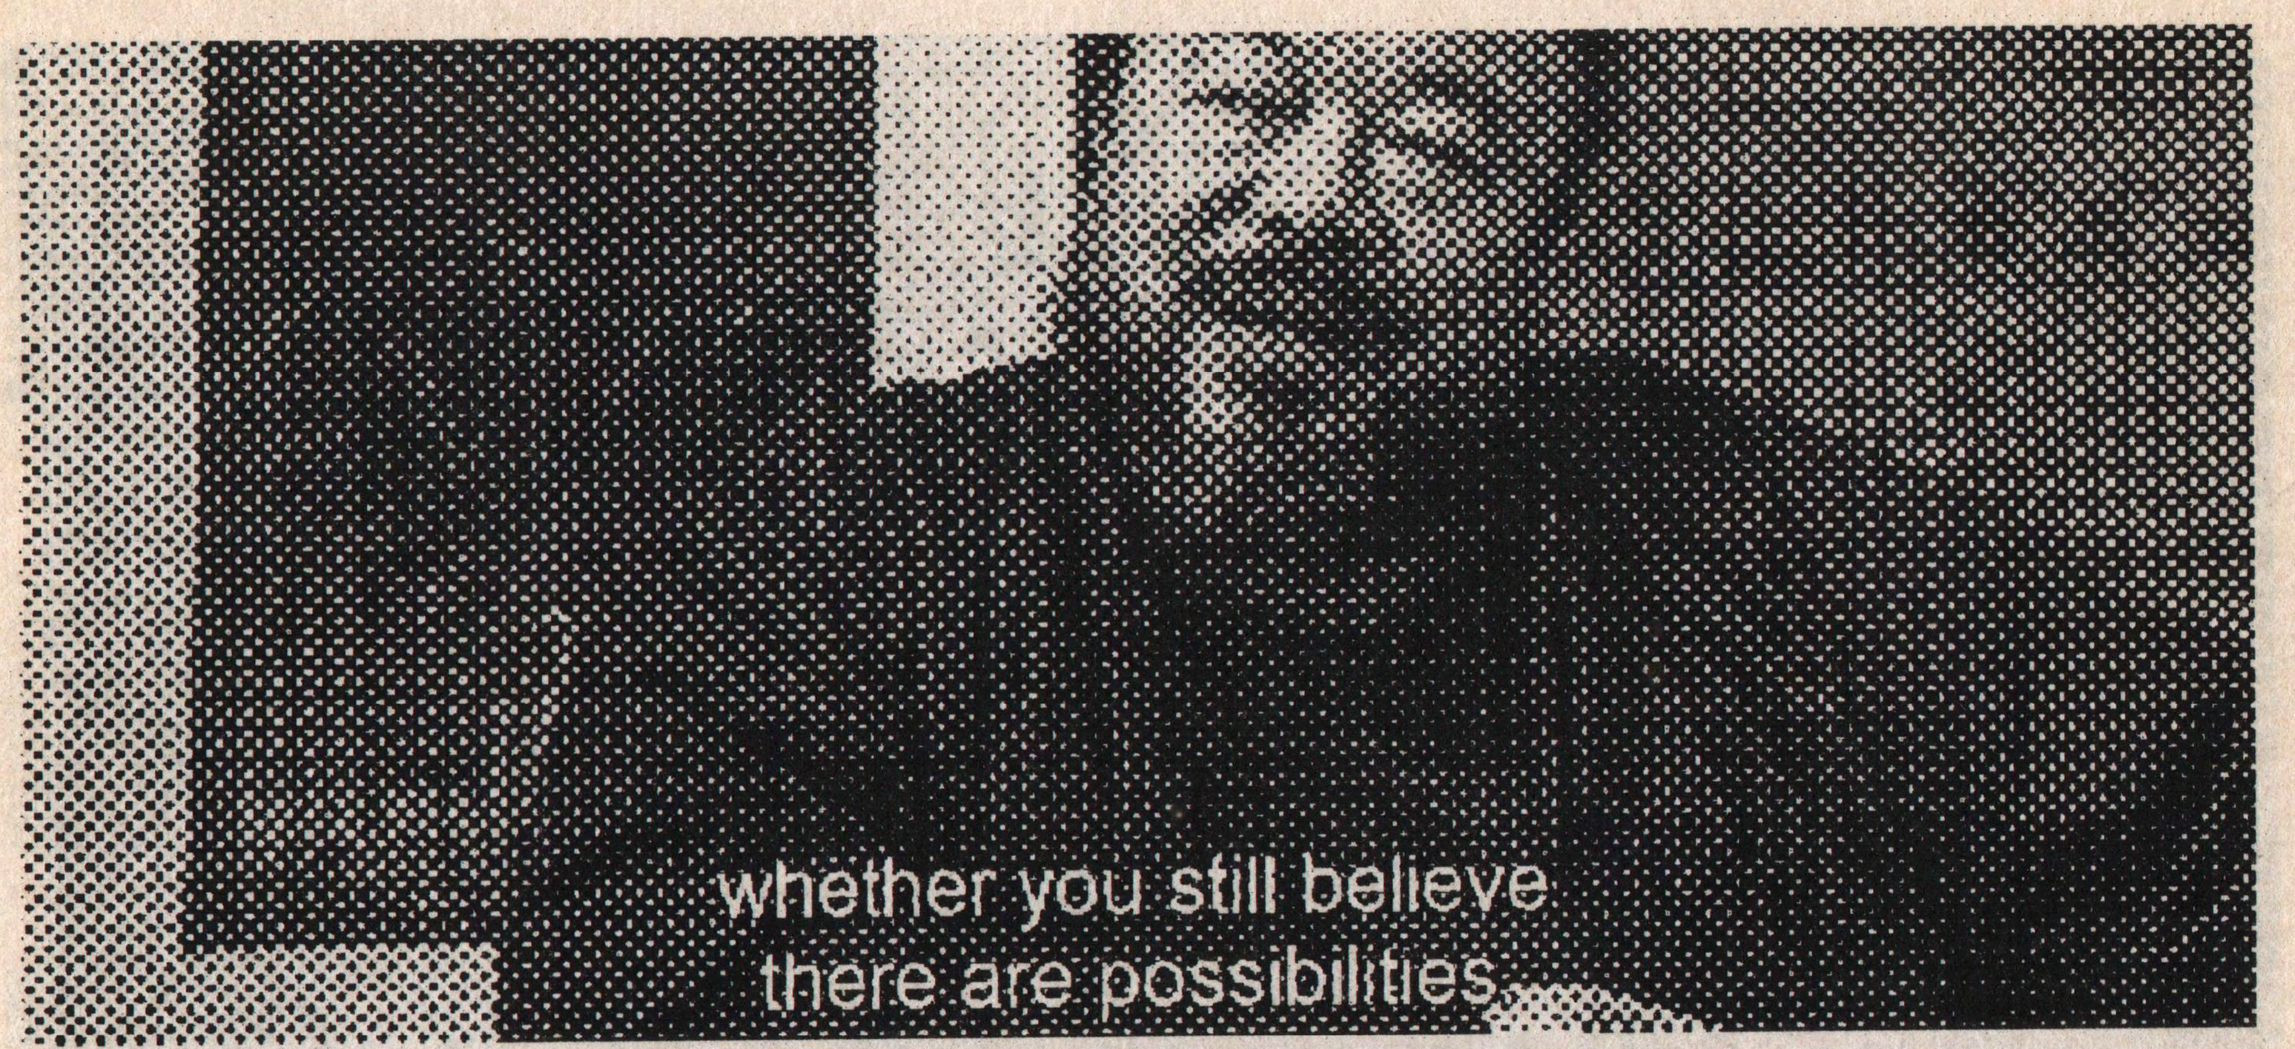

It seems like it was just yesterday
when I first heard your name.

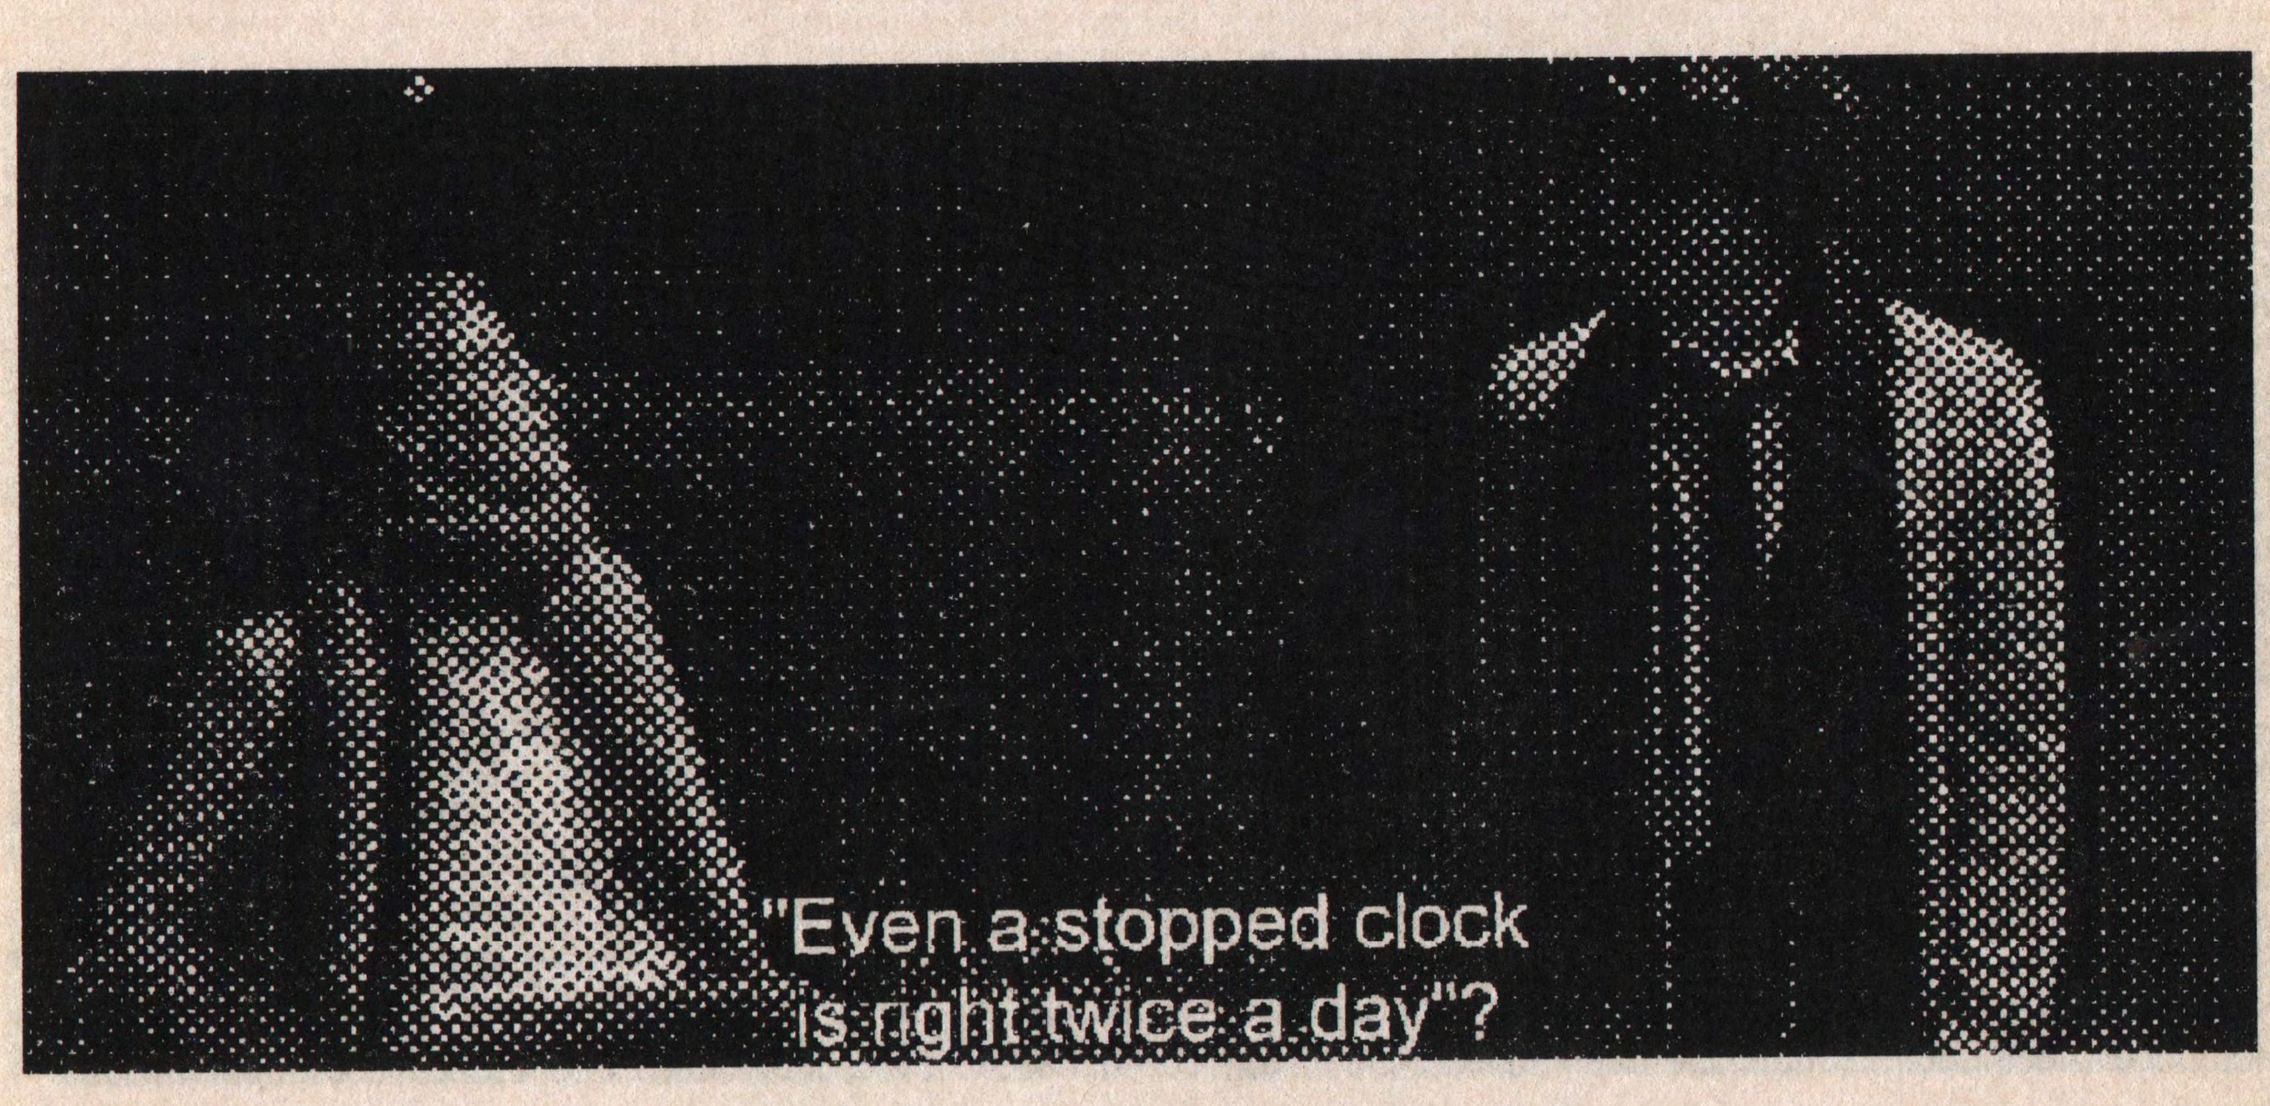

An everlasting repetition

And I want to stay this way

As long as you still keep peppering the pill

(GRUNTS)

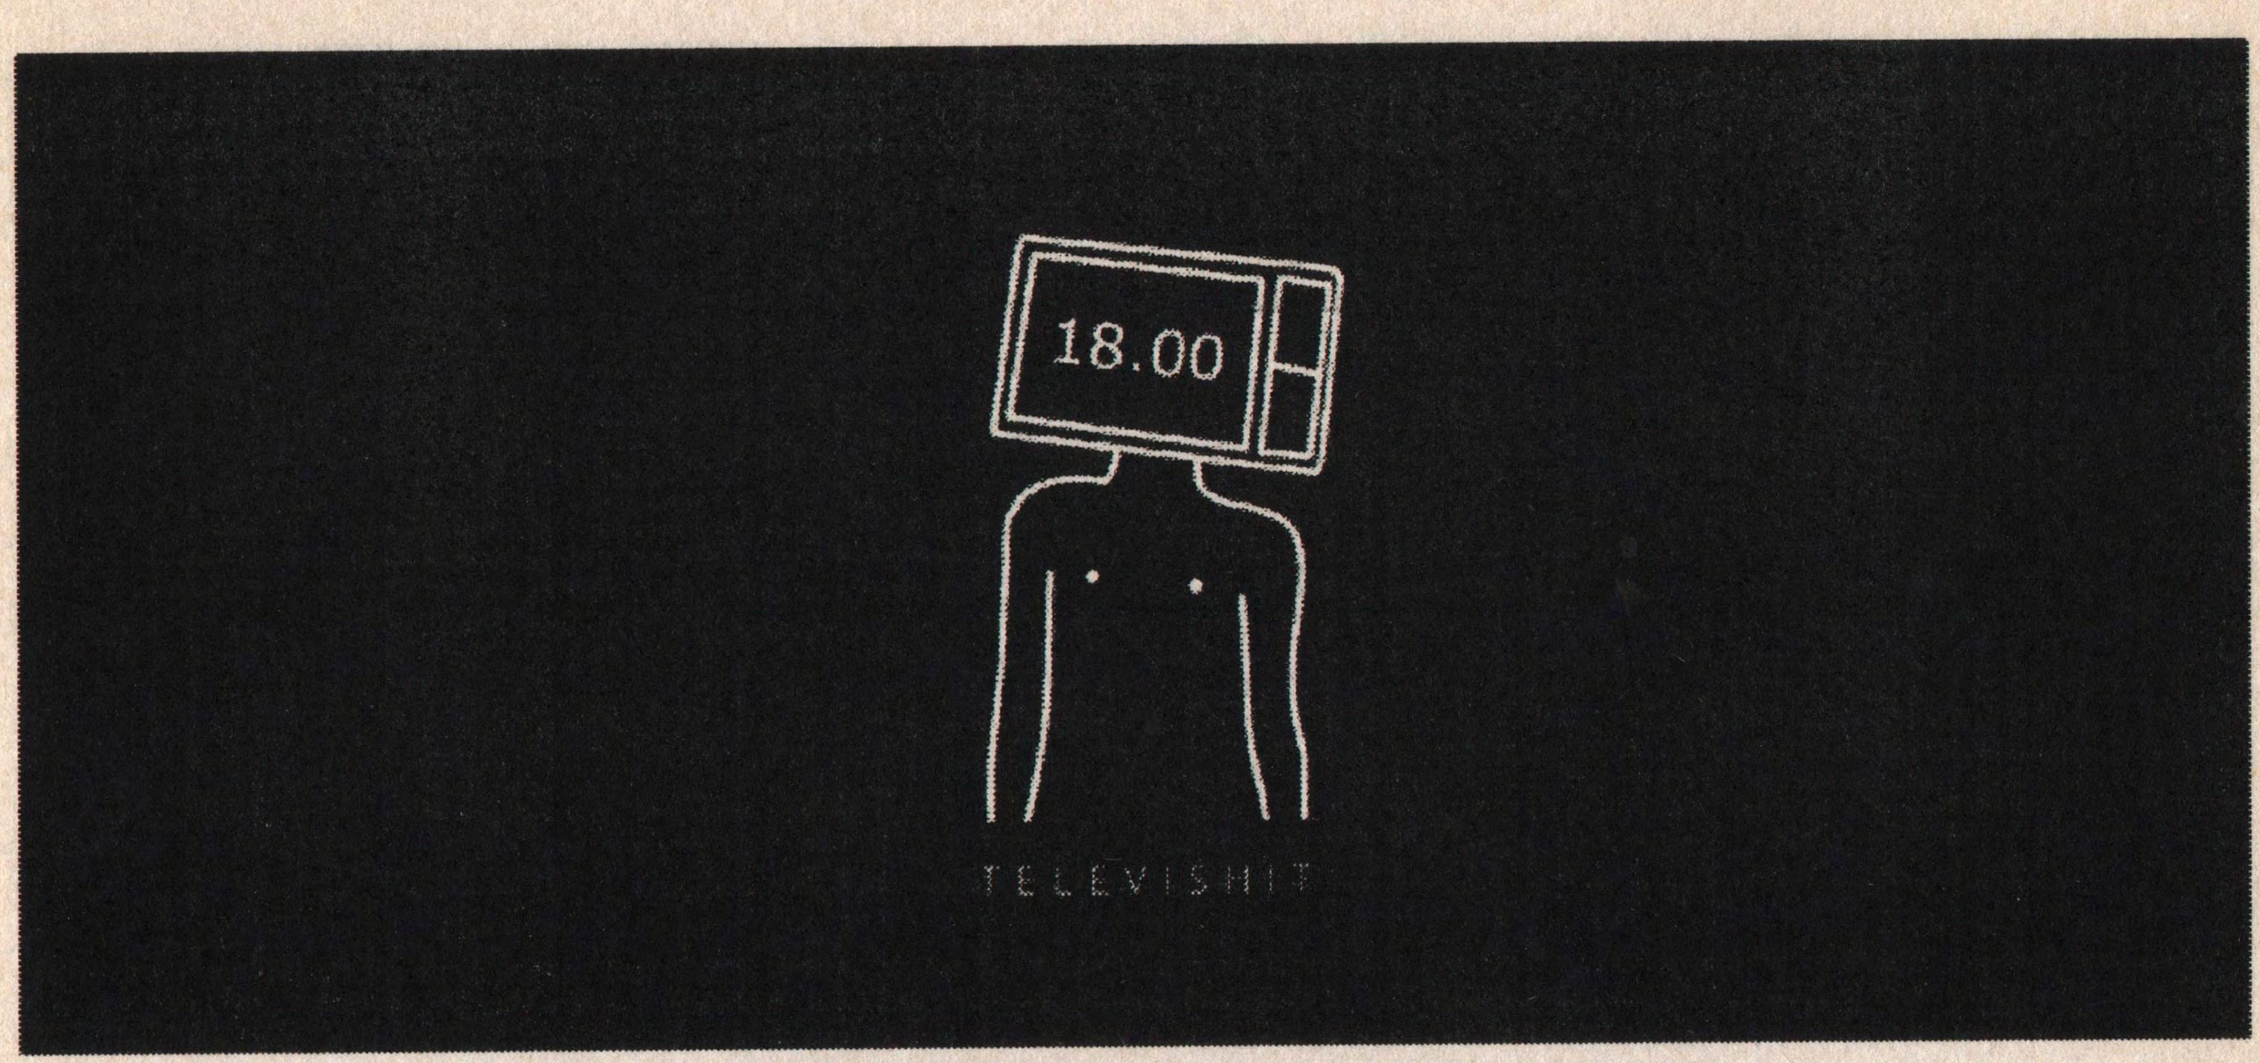

whether you still believe
there are possibilities

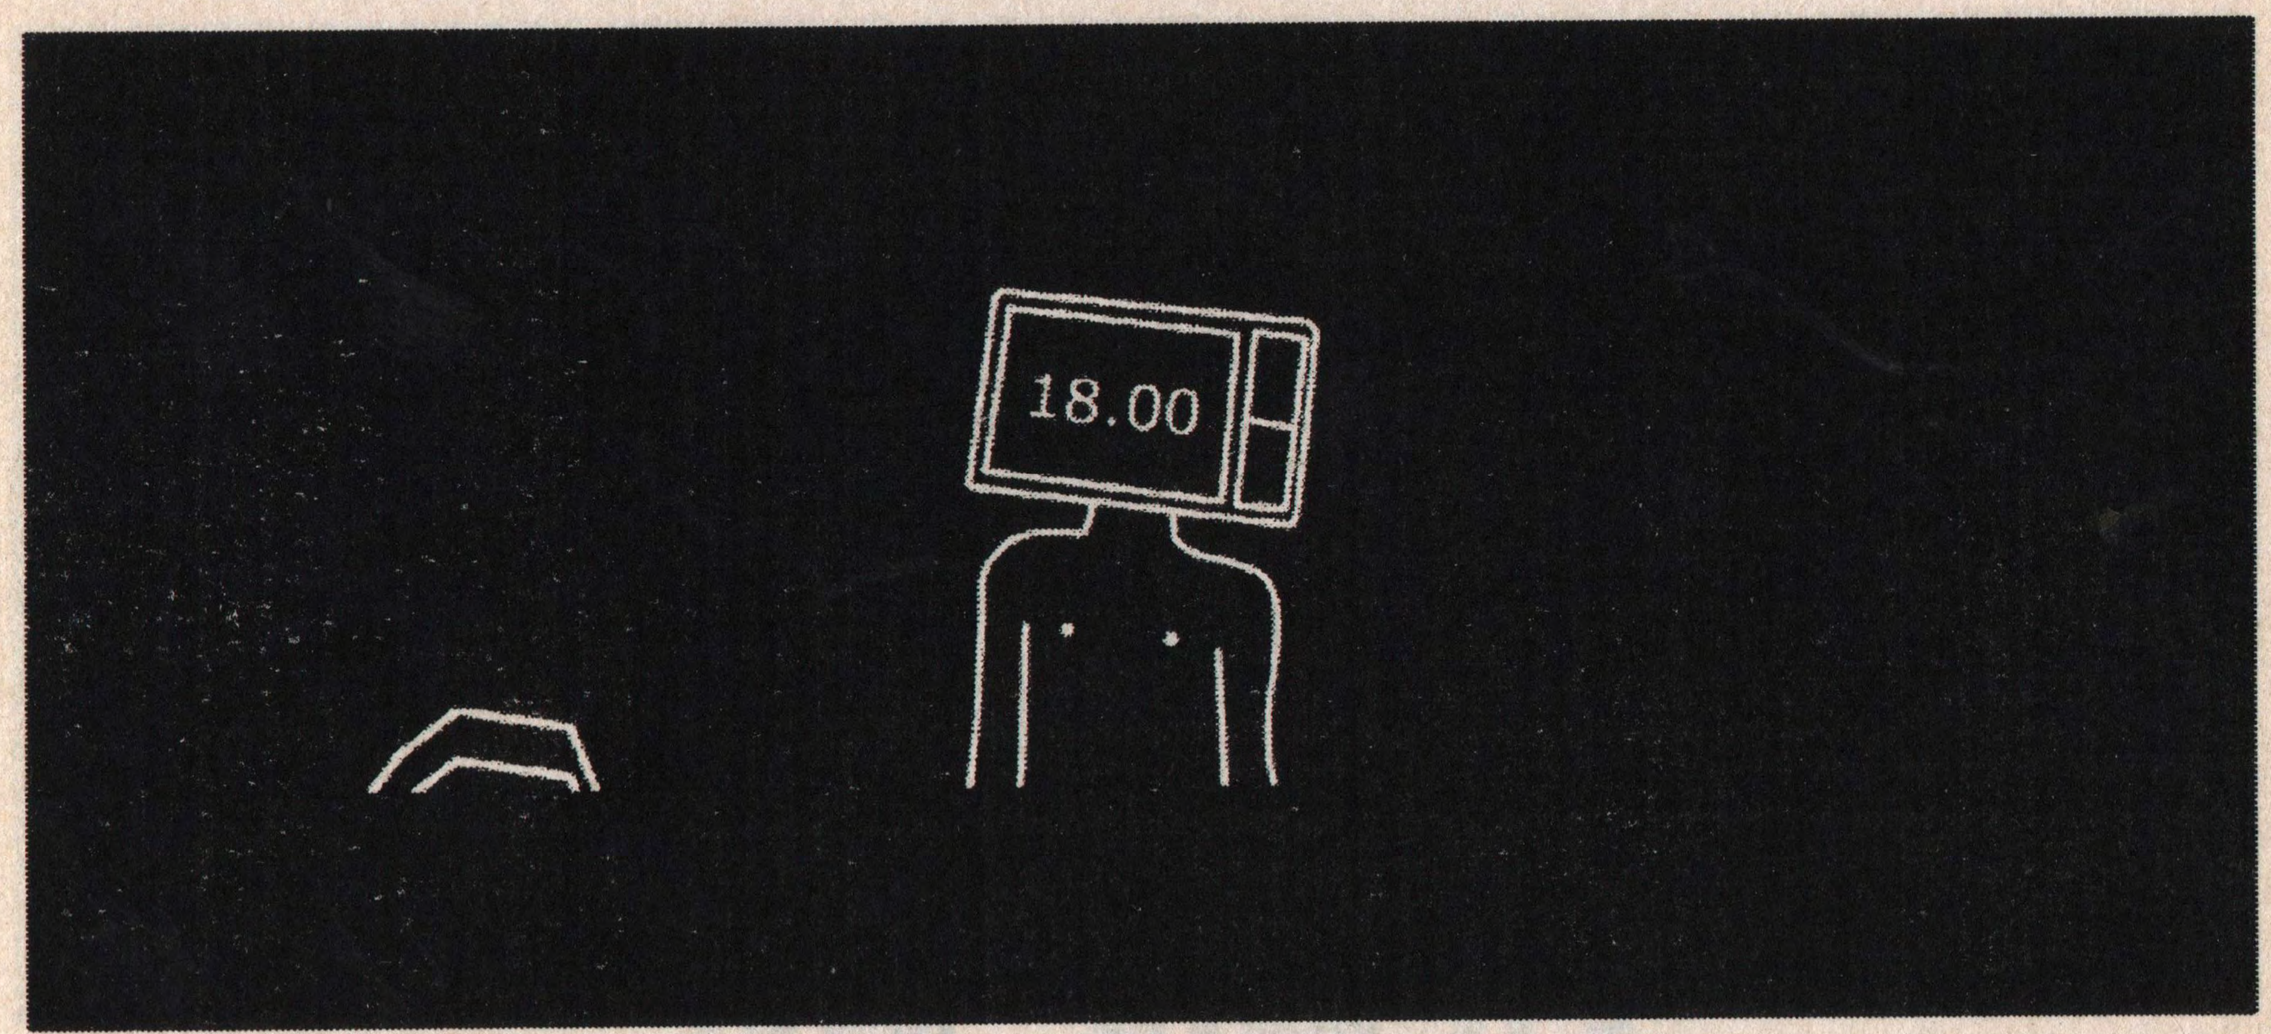

"Even a stopped clock
is right twice a day"?

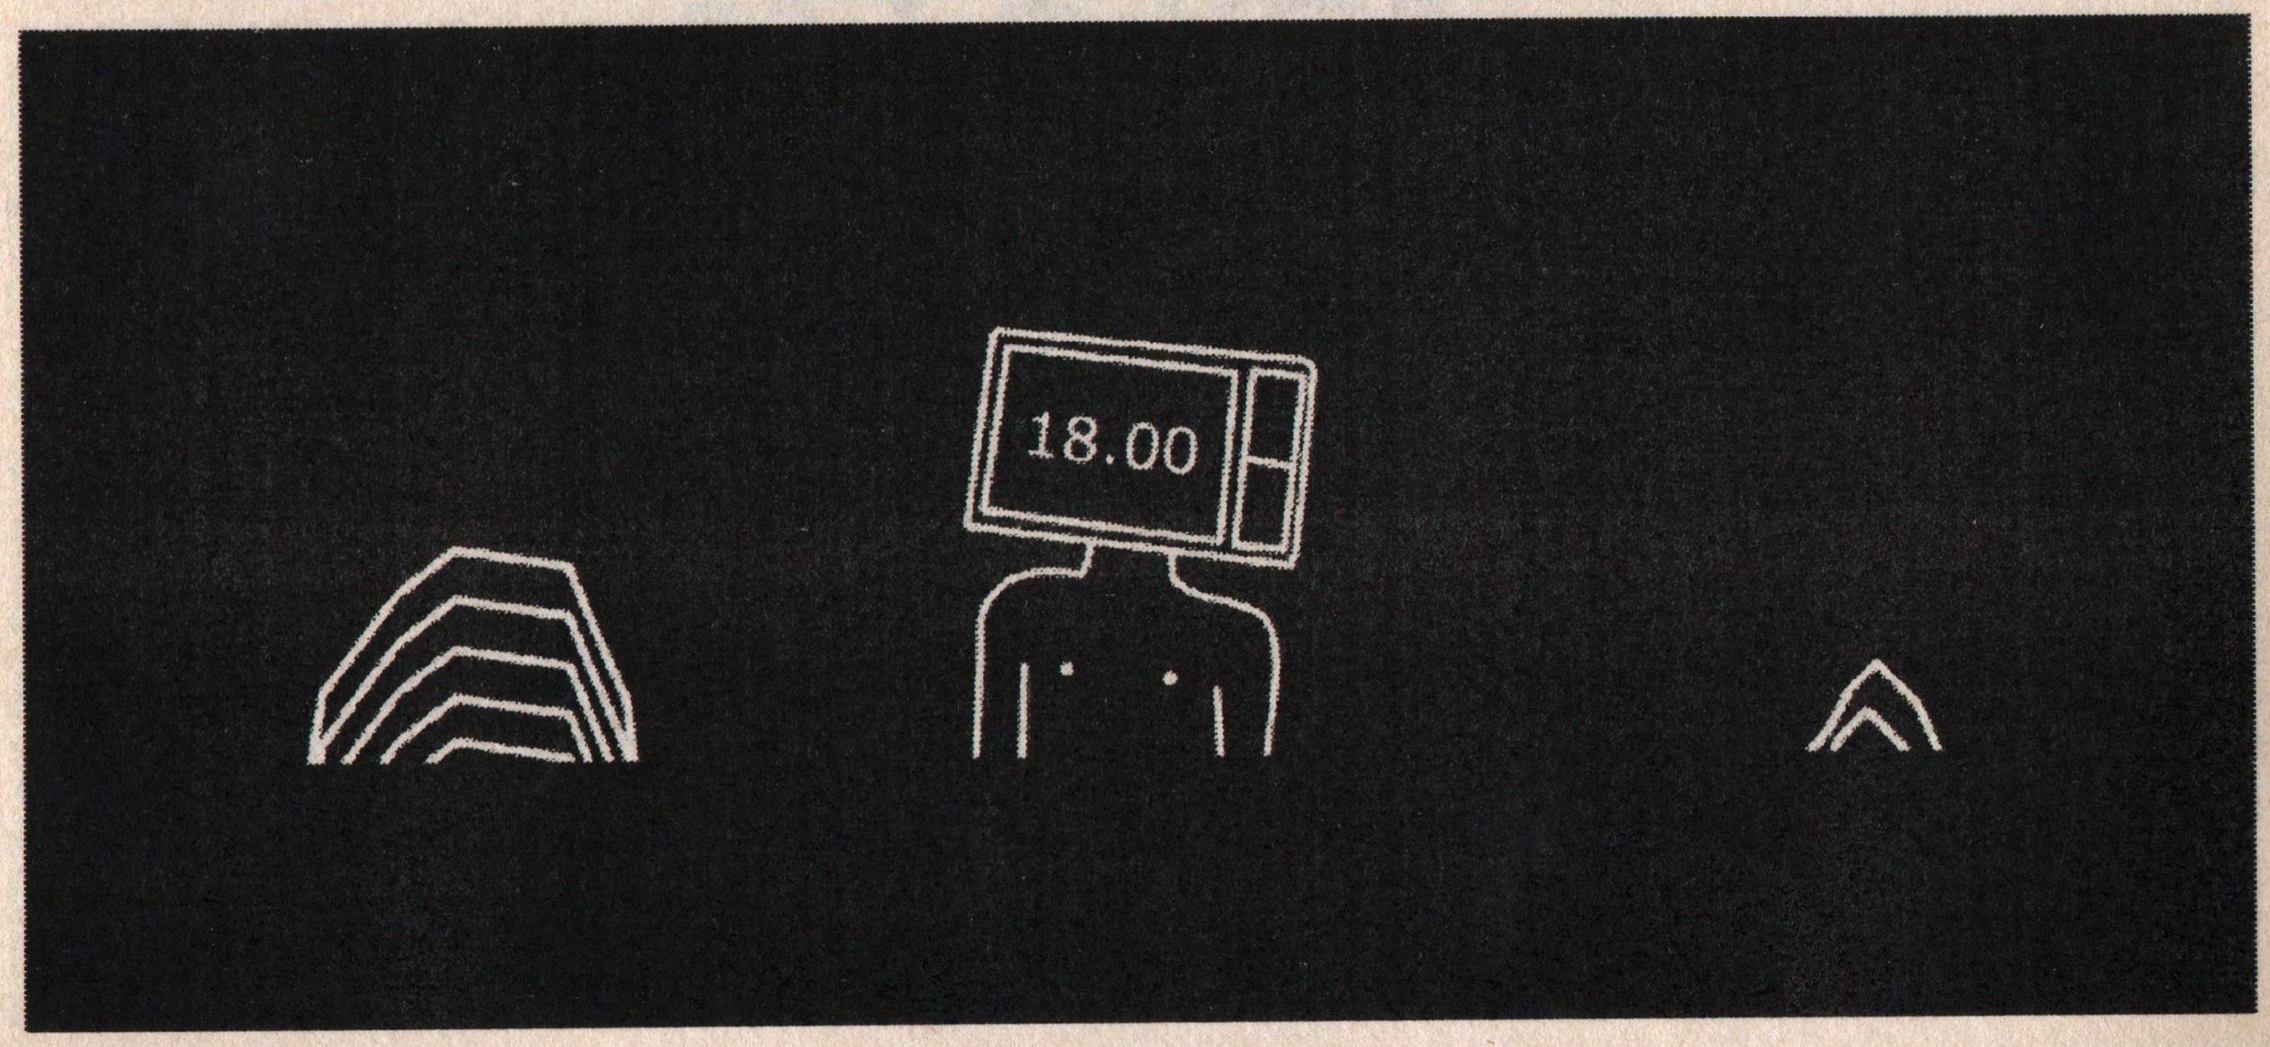

No miracles please

Kau tahu

Pernahkah aku katakan
bahwa kau satu-satunya orang yang aku ajak bicara

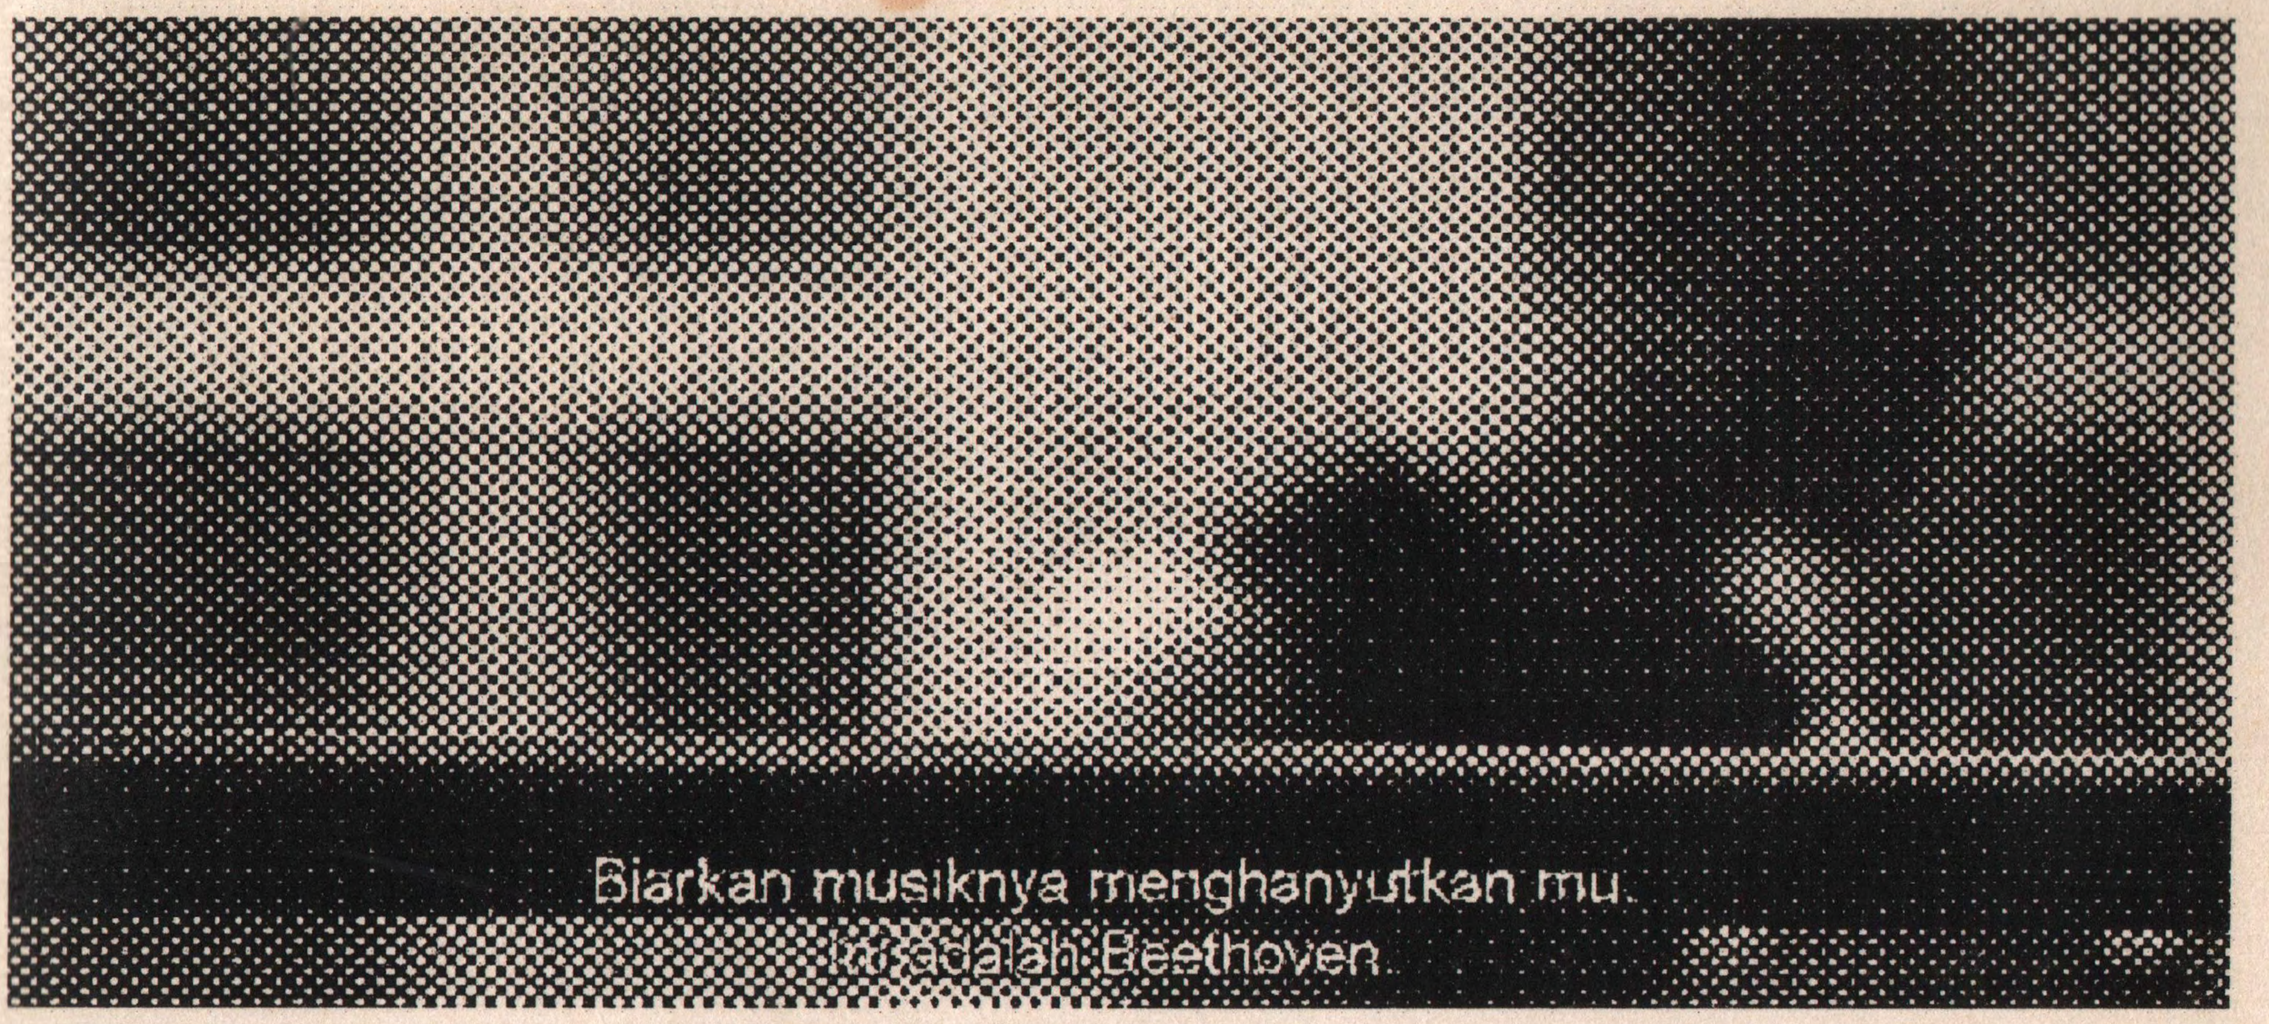

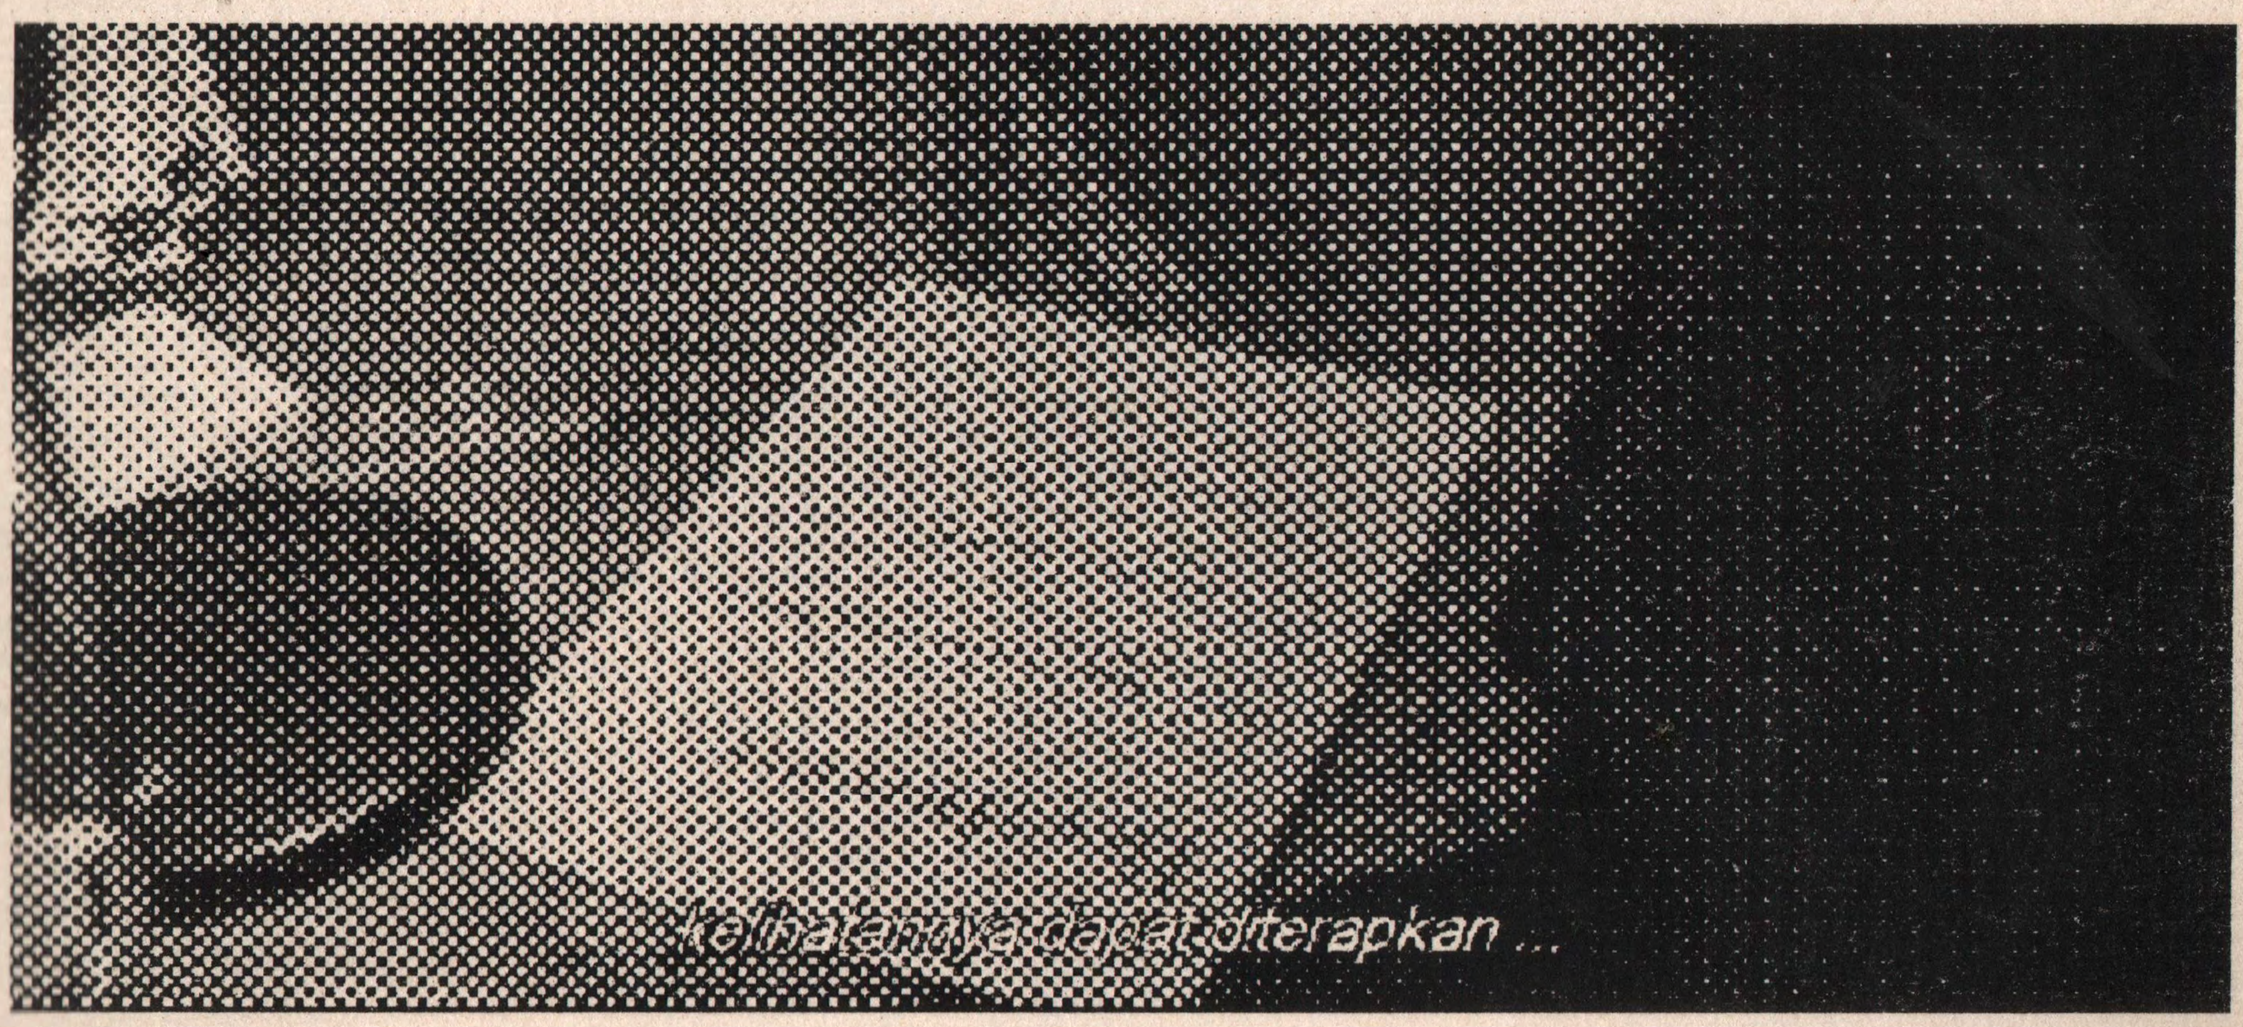

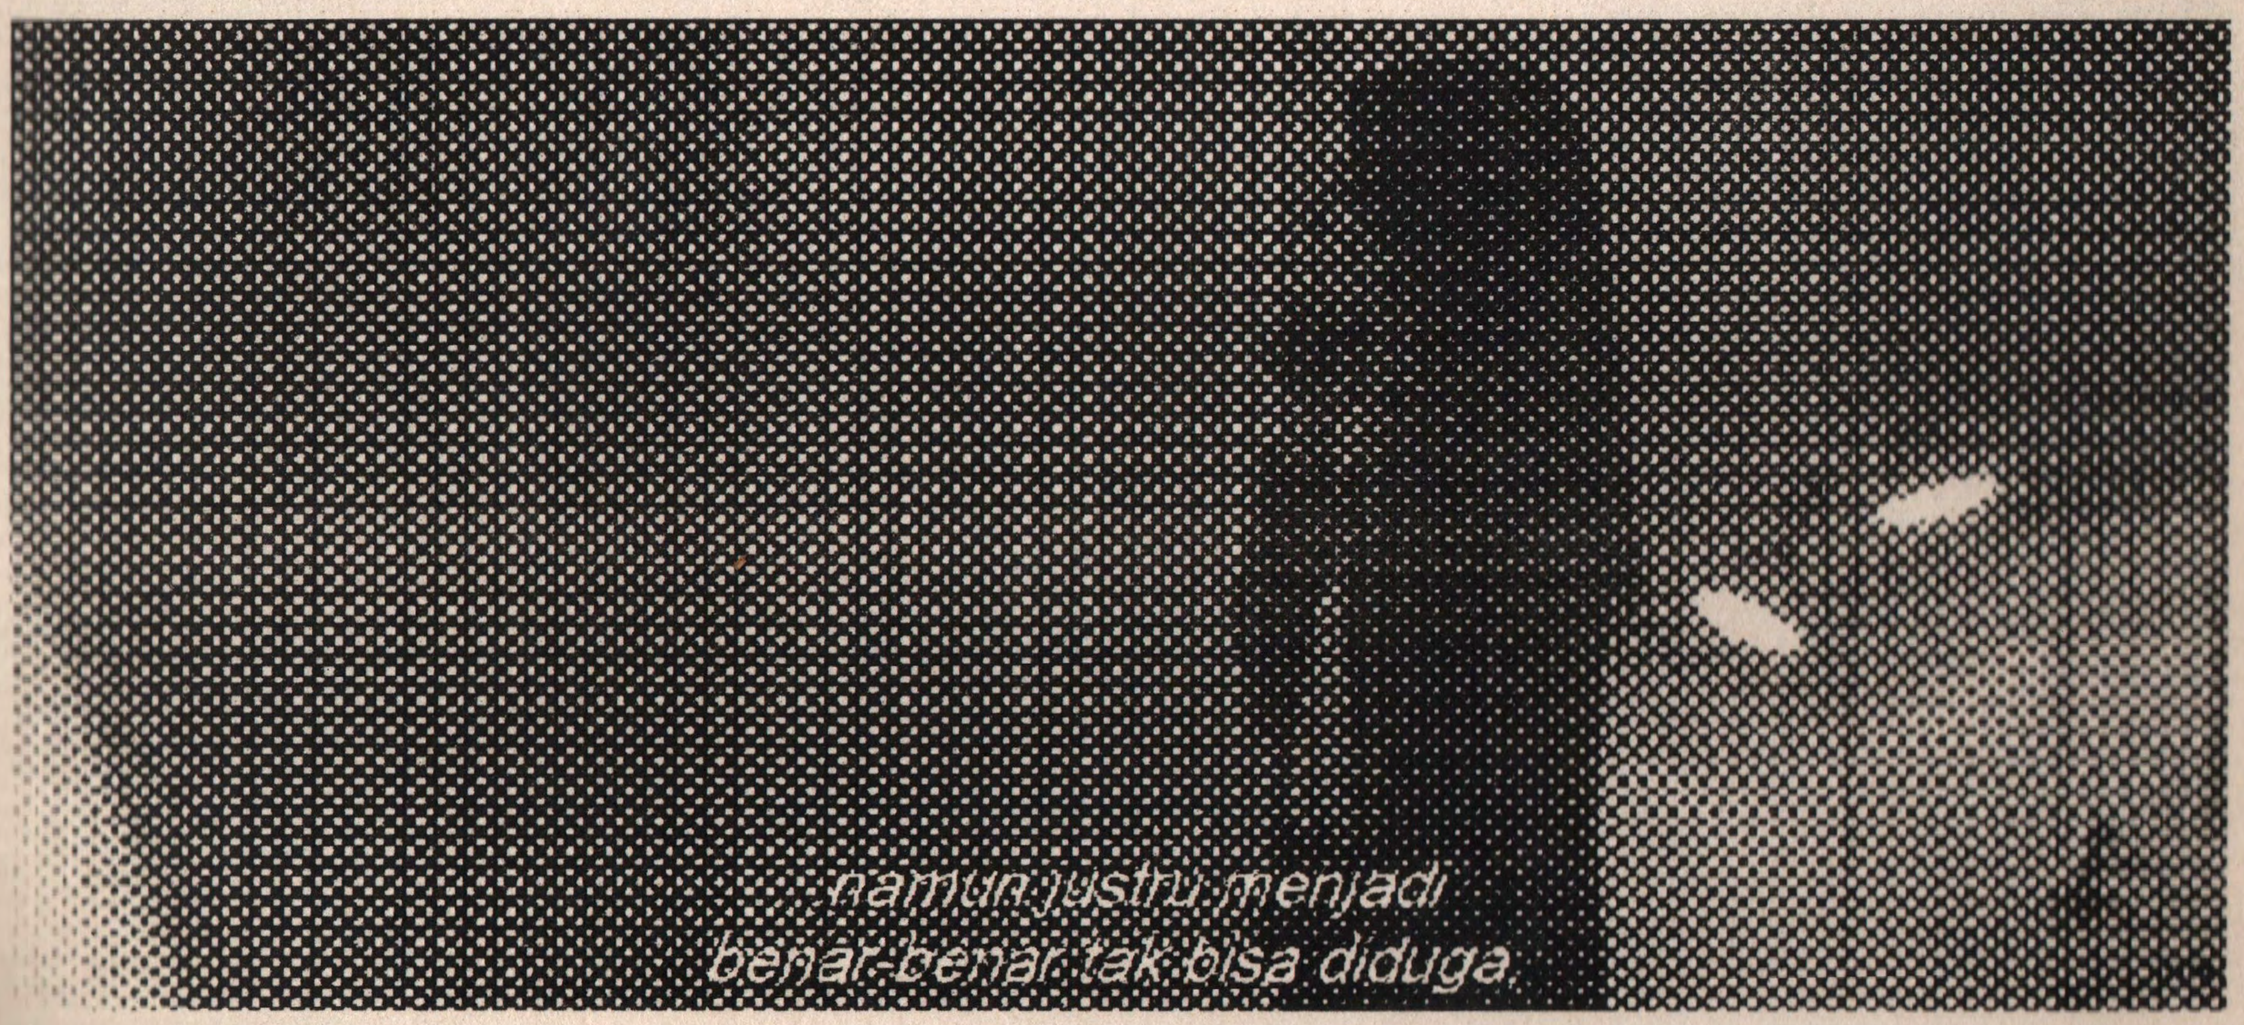

Dimana-mana, sepanjang waktu

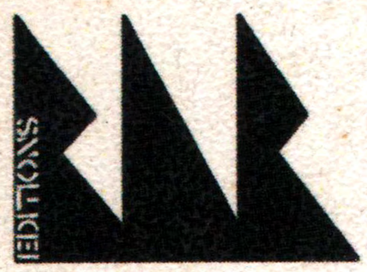

Biarkan musiknya menghanyutkan mu.
Ia adalah Beethoven

kelihatannya dapat diterapkan ...

namun justru menjadi
benar-benar tak bisa diduga
