ATTITUDE

Pixs nicked from MRR#51!

ATTITUDE?.What's Yours?.Attitude? adalah sebuah band hardcore berunsur metal yg sekarang ini begitu famous diAmerika.Didalam tahun-tahun sebelum tertubuhnya ATTITUDE.,kelima-lima ahli kumpulan ini telah terlibat didalam beberapa bands yg tak kurang popularnya diCalifornia!!!! Pengalaman dari kumpulan-kumpulan ini telah membawa Keith Chatham (21),Chris Scaparro (20), kedua-duanya pemain gitar,Rick Stahl (20) pemain bass dan Paul Birnbaum (19) pemain dram bersama untuk menubuhkan satu kumpulan yg terbaik diarena Hardcore Metal!!

Ianya bermula dlm awal tahun '83 ketika era Punx mencapai tahap yg tinggi di-San Francisco.Ketika itu Keith Chatham sedang bermain bass untuk kumpulam CONDEMNED TO DEATH. Band C.O.D ini telah meraut ramai pengikut dan peminat setia setelah 2 tahun bertungkus lumus di-S.F dan menghasilkan satu single yg di-anggap sebagai classic iaitu "Beach Creep" dan satu album "Diary Of A Love Monster".Tetapi C.O.D telah berpecah pada tahun 1985....

Selepas itu Keith dan penyanyinya Andy Andersen barcadang untuk menubuhkan band baru bernama The Wanderers tetapi Keith telah berhijrah ke-Australia untuk masuk kumpulan DEATH SenTENCE yg disebut sebagai salah satu band yg TERLAJU didunia!!Selepas itu ia masuk kumpulan VICIOUS CIRCLE dan mula mengadakan konsert diserata Australia utk beberapa bulan.Pada masa yg sama Keith menubuhkan band sem

-tara bernama CONDEMNED bersama kawan-kawan Australianya dan mengeluarkan satu album,"Humanoid Or Biomechanical". Album ini terkenal kerana penciptaan lirik yg begitu kreatif dan keasliannya dlm mengabung pergabungan kelajuan Hardcore dgn kuasa metal!!..Sementera itu diSan Francisco,Pemain bass Rick Strahl menubuhkan band ATTITUDE ADJUSTMENT yg mana telah dapat bertapak dgn kukuh disana apabila dimasuki oleh Andy Andersen sebagai penyanyi dan Chris Scaparro gitar.Sebelum ini Andy mempunyai band sendiri iaitu DEAD HEROS yg selalu disertai oleh Rick sebagai bassist sementara!.Attitude Adjustment telah mengeluarkan satu demo yg disanjung ramai iaitu"Dead Serious" dan menjadi popular dgn keluarnya album "american Paranoia".Album ini telah membawa mereka kemata dan telinga para peminat H.C diseluruh dunia kepada energy, keaslian dan humor mereka.Tetapi A.A berpecah kemudiannya kerana drummer mereka tidak sekepala dgn ahli lain!...

Ketika itu Ric Keith telah balik keSan Francisco dari Australia dan terus bersama dgn ketiga bekas A.A utk menubuhkan kumpulan CONDEMNED ATTITUDE..Mereka dibantu oleh drummer kump.SEPTIC DEATH,Paul Birnbaum!!! Tak lama kemudian nama mereka di-pendekkan kepada ATTITUDE?.

Attitude?adalah sebuah band yg powerful,band yg berkeupayaan tinggi untuk mencampurkan nada laju serta keras dengan nada-nada intricate menghasilkan bertimbun power dan variasi didlm music mereka!!Dipadankan dengan lirik-lirik tentang problem-problem kehidupan sosial dan personal yg menghantui hidup kita sekarang ini!!Dengan pendek,ATTITUDE? melaungkan hak-hak mereka di-dalam individualisma..

GET THE FIRST DEMO TAPE OF ATTITUDE?,"Attitude?What's Yours?".11 songs!3 studio traxs and 8 live rehearsals. it's u.s$4 (u.s.a) and u.s$5 for foreigners/!.

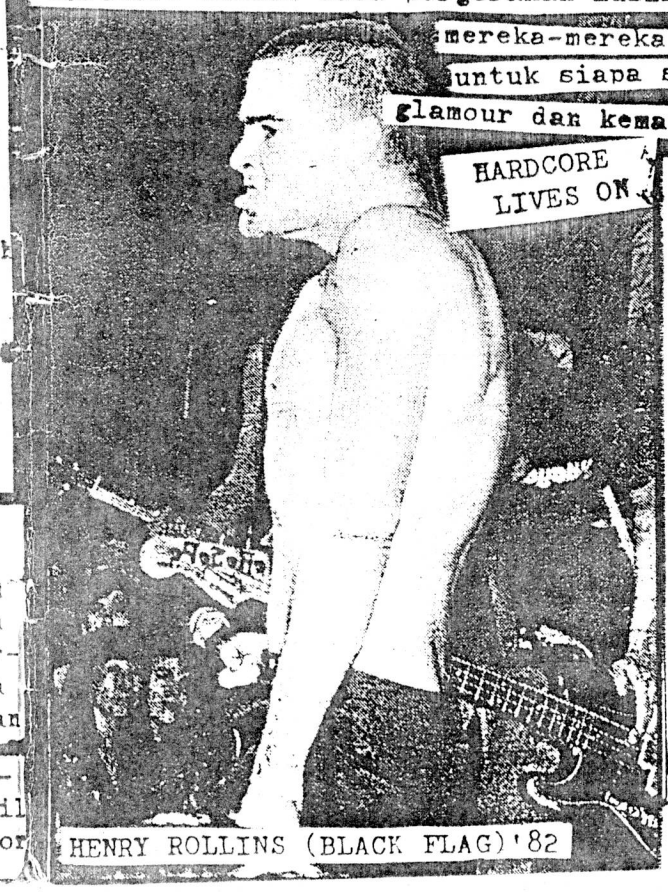
HARDCORE!!HARDCORE adalah PUNX!!Untuk lebeh tepat , Hardcore @ H.C adalah Punx Untuk Generasi Lapanpuluhan... Ianya adalah satu peningkatan atau pembaharuan kepada etika dan sikap menyeluruh Punx.Seperti yg kita ketahui,kemunculan punx dalam akhir 70an,membawa satu prgerakan musik yg berbau [redacted] pemberontakan melawan musik yg tawar,lembek, takut kepada pembaharuan,bersih dan penuh komersial.Pada masa itu keadaan musik sangat mem-boringkan dihasilkan oleh rockstar-[redacted] popstar yg kaya raya dengan Rolls-Royce dan istana istana.Mereka menyanyikan lagu lagu yg takda kena mengena dengan realiti kehidupan sebenar .Lirik lirik lagu mereka penuh dengan fatasi dan cinta-minta.Dgn kemunculan [redacted] Sex Pistols dan kuncu-kuncu mereka spt Clash,Damned, Stranglers dan lain-lain,satu pergerakan musik anti-establishment telah tertubuh dgn tidak disengajakan atau dirancang!!! Ianya adalah musik alternatif,berani,tegas,baru,fresh,tanpa elemen komersial,comot dan kotor berkarat.Ianya diberi nama Punk oleh para journalis britain dan ia telah mengejutkan dan mengerunkan dunia musik dan masyarakat dunia seluruhnya! Tahun 1976 adalah tahun punx yg agung,manakala 1977,punx diriuh-rendahkan olh media massa,dlm 1978 pula punx mula

di-eksploitasikan oleh industri musik / dan dlm tahun ini juga Sex Pistols berpecah dgn meniggalkan sekeping album yg telah (dan masih) menggugat arah dan kestabilan alam musik seluruhnya,"Never-mind The Bollocks".1979,Punx di U.K mula menghilangkan diri dari media massa dan menjadi semacam satu pergerakan bawah-tanah sementara diAmerika,punk berkembang dgn band-band spt. the Avengers,Dil Plugz,X dan lain-lain(berpusat diCalifor

Daripada pergerakan punx awal diAmerika inilah timbulnya H.C! Tiada siapa tahu yg siapa yg memulakan nama HardCore, tetapi ianya mula dilaungkan dgn kemunculan band-band spt.Black Flag, Dead Kennedys,Million Dead Cops,Bad Brains,Angry Samoans dan lain-lain.Ianya bermula pada awal lapanpuluhan ini dgn muka-mu muka baru yg radikal dan intelektual.Mereka tidak mementingkan fesyen dan membuka syarikat rekod kecilan sendiri untuk menolo membantu satu sama lain tanpa di-eksploitkan olh syarikat reko yg besar.Dengan itu Hardcore boleh berdiri diatas kaki sendiri tidak spt generasi punk lama yg berganjung kepada syarikat rekod besar yg hanya mementingkan duit dan mengonkong kreati-viti band-band itu.Hardcore juga memulakan mediamassa sendiri dengan fanzines international spt Maximum R+R,Flipside dan rancangan-rancangan radio serta kabel T.V untuk menyiarkan vidioclips!!Sekarang H.C/Punx timbul dimana-mana saja!Dari Jepun ke-Brazil!Dari Filipina ke-Greece!Poland keColmbia!! Mat-mat H.C boleh dikatakan semuanya suka menulis untuk mereka yg lain untuk burtukar fikiran,tapes,rekod,fanzines etc.etc.!! dengan itu ianya adalah satu-satunya pergerakan musik yg luas pandangannya dan terbesar diDunia walaupun ianya tidak popular

Hardcore adalah satu pergerakan musik underground untuk mereka-mereka yg sukakan pembaharuan, untuk siapa saja yg tidak mementingkan glamour dan kemasyuran,ego dan kebendaan!



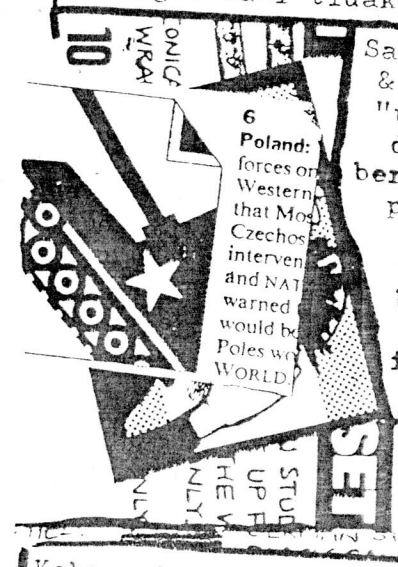
HENRY ROLLINS (BLACK FLAG)'82

Band "straight edge" yg 1st dari poland ialah; I.D.,dariKrakow dis:lata: poland..mereka dipengaruhi oleh AOD,MINOR THREAT,MDC dll.

Dlm May,'83,REJSTRACJA,dgn bantuan SWISTAK, telah mangeluarkan satu tape 'haram' yg dianggap [redacted] sebagai tape H.C yg terbaik boleh didapati diPoland Lagu-lagu laju dgn lirik-lirik tentang perang,keganasan,ancaman nuklear,hidup miskin dll..penyanyi ditukarkan dlm.'83 membuatkan ia lebeh berkesan ttp mereka gagal Mereka cuba sekali lagi dlm. '85 ttp tidak lagi sesedap dahulu..

SEDES dari Wrockaw adalah sangat popular ttp berpecah selepas Jarocin '83,..pemain dram; Katjek, telah menubuhkan PROGRAM 111 dan memainkan h.c yg baik tt ttp mereka [redacted] masih tak punyai penyanyi.

KUmp. dari luar yg telah bermain didlm Poland ialah; Raincoats-'79, U.K SUBS-82,YOUTH BRIGADE-'84, DIE TOTEN HOSEN-'85, D.O.A-'85..dan mungkin tak lama lagi ,UPRIGHT CITIZEN,UBR,CRUDE SS,& RATTUS!?...Angelic Upstarts & exploited telah datang tetapi tidak dibenarkan bermain atau tinggal disini!!!!



Salah stu Fanzine terbaik ialah;"Eikima" yg dikeluarkan oleh MACIEJ, & KIKI (Abaddon)..tetapi ia diharamkan spt semua terbitan [redacted] "underground" yg lain/ !!!..Cara hidup punx Poland adalah berlainan dari punx negara barat oleh kerana situasi sosial & politik yg berlainan...perkumpulan para "Individual" diharamkan dan para pejuang politik dikutuk habisan/..lirik kump. SKRAJNA REAKCJA menampilkan keadaan huru=hara ketika 2,3 hari pertama selepas pengistiharan Keadaan Darurat(awl '82)..yg menunjukkan para belia yg takut dan terkejut disebabkan keganasan polis, jalan- yg dipenuhi oleh askar-askar bersenjata, dll..pada [redacted] petila itu tiada konsert dijalankan, tetapi banyak rakaman yg baik didapati ..

Kebanyakan punx poland berpakaian biasa, Rambut duri, subang telinga,baju yg kotor & cepat dapat perhatian drpd polis! dan mereka akan buat kacau! ..nak pergi sekolah atau kerja pun susah!!!Kerja adalah wajib utk semua rakyat .oleh itu susah utk kami hidup jauh dari "establishment"...kami perlu bekerja sahingga akhir hayat hanya utk sejumlah wang sangat sedikit jika dibandingkan dgn harga barangan..misalan, satu T.V color buatan poland berharga:140,000 zt, satu gitar:60-80,000 zt,satu karet deck: 6-130,000 zt padahal gaji kami sebulan: 16,000 zt!!!

'Undang2 darurat' sekarang hanya dilonggarkan...bilakah ia akan dihentikan? Walaupun banyak kata-kata anti-punx didlm akhbar/TV/radio, keadaan punx di Poland tetap berkembang pesat...."support scenes evrywhere and have your own way of life and music!!!"....

THE END..

DEAD ENDS - SECOND COMING Tape (Phillipines!!)

This is totally brilliant!!When I first heard about Phillipino punks in an old issue of MRR, I thought.."WOW! a scene breeding just right across that splashing sea behind my little house!! Wow!Wow!Wow!!"..Then early this year i got a comp. tape from there called "Ladders & Barricades" and I'm in LOVE!!Most of the bands played ealy early punk style and they're all surprisingly good!!

DEAD ENDS plays early U.S Hardcore sounds with a sprinkling of old D.K.These guys RIPS!The tape comes with extremely professional lay out and a lyric sheet.The sound production is just like a major label tape!What more do you want from a band so hot they blew away other most of them U.S & Euro bands to oblivion!!Get this!!BUY OR DIE!

(U.S$4. from TWISTED RED CROSS c/o Artur Bandalan 2288 int. 25 Leveriza St. MALATE,MLA 2801,PHILLIPINES)

SUBHUMANS(U.K)-One man's fish another man's poisson Tape.Live in paris(Bluurg)

This band was the finest in U.K!!This tape is a documentation of their gig in Paris in 1983.40 minutes of honesty and glory!!The sound is surprisingly good considering it's a live recording.Includes all fave noisers..Cancer!

BLURRG!! 2, VICTORIA TERRACE, TEDDINGTON, MIDDX, ENGLAND

POLAND H.C-LIVE!JAROCIN '85 Part 1(Maciej Komasinski, Okolna 32/1,64-920 Pita,POLAND) 60 min tape.

This is a killer compilation tap from the land of Solidarity!!!!! We have here 3 polish hardcore bands recorded live during the Jarocin Festival of '85.Theme bands sure do blew 'em away!!! This is Prime Poland Hardcore! No kidding!

Side A starts with AGONIA a fine band that plays Pre-metal U.K H.C style with slight American influence especially in the brilliant rustic Black Flag guitarwork.If this band can tighten it up a lil bit,get a stronger vocalist and kill the sloppy songs they would be better than DEZERTER!!And blow other Europunxs away like this brilliant band,REJESTRACJA!!~~REJESTRACJA come on a 7"~~

REJESTRACJA is currently THE favourite Polish band among the small circle of our our local punxs!! Personally they are miles better,infact more powerful musically than the respected DEZERTER!!They're really tight and fast without being sloppy.They have their own sound especially with their fine vocalist.You can hear some U.K H.C type of structure like good old GBH!!! I hope icould get more info on them and maybe some new recordings..HELP!!!

This tape ends with PROWOKOCJA, a relly fast band that sounds a tiny weny bit like CHAOTIC DISCHORD of U.K!They play thrashy stuff and got away with it! ~~Anoth~~ Another fine band ~~albiet~~ albeit a bit sloppy in the delivery!!Remember this was recorded in '85,I don'T know how they all sounds now but i hope they all have progressed beyond criticism!!And I can't comment on their lyrics since our schools don'T teach POLISH!!

Other Polish comp. tapes available are:
1.Music from Poland..8 bands inc.DEZERTER,TZN XENNA
2.Last concert tape ..6 bands inc. KONWENT A
3.Apartheid tape..3 bands live inc. Abaddon/!

Two more high-quality cassettes from B.C.T. which further their effort to give more exposure to international bands. WHAT THE PAPERS SAY...

'Infinitely more valuable than its obscurity suggests.....the mellower folk songs still reflecting the same feeling as the powerful, rough and ready 'Punk Squatters'!'

Robin Denselow (The Guardian)

'I had all but given up on these lads when "boom" they surprised me. Besides some of the mellower stuff they'd done recently, this LP includes folk, blues, spoken word, industrial, and a really decent portion of raw, well-done punk a la Crass. Includes a great cover of one of punk's all time classics, ATV's 'How Much Longer?'

Tim Yohanan 'Maximum Rock'N'Roll' (USA)

'For 7 years the Apostles have confounded us with their insightful brand of folk blues punk rock and this album sees the culmination of all that energy and time.....as well as all the usual literature and artwork there's the bonus of one of the most striking and thought-provoking cover designs I've ever seen.'

'The Harder They Fall' (Canada)

'.....perhaps not to my usual taste, but in parts it remains quite stunning and very moving.....'

Ian Manse (Sheffield Radio)

Are there many places to play.
A: There aren't so many, only 3 or 4 but ~~there's~~ THERE'S a gig in every month so it's [redacted] a Regular scene.

What's your favourite food.
A: I enjoy lot's of Chinese food & the typicall local peruvian food. I [redacted]

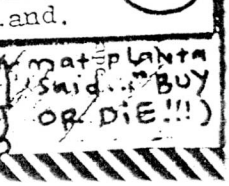
COOL STUFF!



POLAND

POLAND!...Satu liputan dari sebuah fanzine ..awal '86....

POLAND adalah sebuah negara sosialis ditengah-tengah Eropah. Bagi setengah orang,ia dikenali dgn SOLIDARNCRC ,Lech Walesa, Regim kominis,@ Chopin....Tapi jarang dikaitkan dgn band-band PUNX YG betul-betul BEST!!.. Adalah maklum dikalangan kutu-kutu Eropah, band-band PUNX Polanda adalah yg terbaik drpd band-band negara Sosialis TImur Eropah yg lain/!!!

Walaupun terdapat banyak problem utk tubuhkan band spt alatan alatan yg koman/ , gangguan oleh pehak berkuasa spt polic dll..,banyak kump.- kump punx yg baru ditubuhkan setiap tahun/..

Bandar-bandar utama adalah; Warsaw,Krakow,Gdansk,Torun & Wroclaw. Terdapat juga banyak kelab" spt REMONT,STODOLA diWARSAW, Od Nowa diTorun.

Barangkali kump.yg paling terkenal adalah DEZERTER! yg patut diberi penghargaan kerana memajukan [redacted] 'scene' Punx diPoland ..dan mereka [redacted] adalah kump. yg paling matang dan intelligent dikalangan punx poland....

Satu lagi kump. yg popular adalah TZN XENNA..mereka hanya akan bermain dikelab-kelab yg kecil shj kerana bencikan dewan²yg besar/!! Ditubuhkan 1981 tetapi menghilangkan diri dlm.'83..Mereka keluar semula pada 21 okt. utk. bermain bersama dgn YOUTH BRIGADE(usa) diWarsaw.. Kebanyakan punx yg keluar hari itu hanyadatang utk. menyaksikanTZN XENNA! dan bukan Y.Brigade!!!Mereka telah rekodkan satu [redacted] 'single' tapi masih belum dikeluarkan,'Sound' mereka adalah spt; campuran Mau-maus & Varukers.

SAtu kupm. yg mempunyai pengaruh 'black metal' adalah MOSKWA. Mula bermain diLodz dlm. '83, pengaruh utama adalah Discharge,Venom,dan Metallica/..Guma- suara/gitar,Rogoz- bass dan drummer baru,Tomek..Topik² [redacted] nyanyian boleh dilihat dari tajuk lagu mereka spt.'Patriot stand' 'Stand and fight',Atomic light',HellOn Earth' dll..Mereka telah rakamkan 4 lagu yg mungkin dikeluarkan dlm bentuk rekod.

ABADDON drpd Bydgoszcz pula mula bermain Dec'82..Penyanyinya Wolf adalah anggota yg terpenting ttp ia telah keluar dan digantikan oleh [redacted] pengurus mereka ,Kiki. mereka masih mainkan H.C yg baik dan tajam ttp lagu² baru adalah lebeh sulit(complicated) dan telah menukar arah mereka..mereka me mempunyai satu lagu didlm album kompilation poland;'Fala'..Abaddon adalah kump. punk Poland yg pertama diluar negeri iaitu,Yugoslavia'84. (Kump.² lain tak dapat pergi kerana menjalani 'servis pertahanann yg diwajibkan diPoland.) mereka telah merakamkan 9 lagu [redacted] disebuah studio diLjubliana. OOleh itu boleh jadi satu EP atau mini-LP akan dikeluarkan.

Satu lagi kmnp. dari WArsaw ialah,DEUTERyg bermain style 77.. Ttp lagu baru banyak berentak H.C! mereka banyak menganjurkan konsert² dan mengeluarkan fanzine/!!

[redacted] Dalam FestivalJAROCIN 1984,2 kump. yg paling berjaya memambat hati mat-mat punx ialah MOSKWA & SIEKIERA! ..ttp selepas beberapa konsert dlm. '84, mereka berhentidan menukarkan penyanyi dan mula bermain "cold wave"..PEnyanyi yg keluar ,Tomek, telah tubuhkan satu kump. baru dengan 3 ahli baru diberi nama, ARMIA.(2 lagu dr SIEKIERA boleh ddpt dlm album "FALA")

Sekarang tentang Festival@Pesta JAROCIN!!ia adalah satu Pesta konsertRock disebuah pekan kecil bernama Jarocin..Setiap hari pertama pesta di'reserved'kan utk band-band Punx oleh itu ia telah dianggap [redacted] sebagai hari & tempat tradisional utk berkumpul oleh mat-mat punx poland// Tetapi banyak yg datang utk mabuk & bergaduh dan telah banyak merosakkan kepercayaan pehak berkuasa kpd Punx..Dlm '85(aug,13th),terdapat 24kump. punx yg bermain bergilir-gilir diatas 2 stage..band baru yg timbul adalah spt PROCESS,STAN ZMEZDY,TREPANACJA,CZASZKI,OKRES,UKRAINA..

ARKADIUSZ MARCZYNSKI,UL.M.REJA 19/7,50-354 WROCLAW,POLAND.

REJESTRACJA

Mitubuhkan di-Torun '80
Jaros-G/Sawasa-B/Gelo-V/Siatka-D.
81-Zbyszek menggranti Jaros tetapi
keluar kemudiannya selepas 2/3
konsert utk. memasuki kump. BIKINI.
Ia digantikan oleh Murek.
'85, pemain bass ditendang ke'uar &
di gantikan oleh Leszek @ Kuleczka.

T Z N XENNA. -Ditubuhkan pada 1hb Ogos'81.
Band yg 'legendary' di-POLAND. Pada musim luruh'82 ianya
terdiri oleh ZYGZAK-V/GOGO-D/FALCONETTI-G/SYDNEY-B.
'83, ZYGZAK ditendang keluar dan FALCONETTI ambil alih
sbg penyanyi sementara orang baru, MARCUS, main gitar.
Prestasi XENNA mula merosot sehingga ZYGZAK terpaksa
di-panggil semula. Dng adanya dia kembali XENNA mula
di-sanjungi semula ttp terjadi satu krisis kemudiannya
dimana SYDNEY terus bersara dan GOGO keluar memasuki
kump. TILT.T.Z.N. xENNA terus berpecah...
Dlm. musim bunga'84, XENNA dihidupkan semula oleh ZYGZAK
& FALCONETTI. Sekarang sebuah single telah dikeluarkan :
"Children From The Dirty Street"/ "Dark Room". Lagu-lagu
mereka juga akan dikeluarkan dlm satu album campuran punk-
punk Poland.
ZYGZAK-V/FALCONETTI-G/GOSPODYNIA-D/LAURI CARDO-B.

Summer is here again and so is HAGL !!!
It doesn't look terribly sexy, can't get
you pissed and won't come inbetween you
and that mad axeman who's after your
gonads for messing with his wife, but
then again it wasn't to blame for
writing the script for Crossroads, nor
did it cause the second world war.
Better send off 25p and SAE to Trev, 57

JUSTICE IS DEAD AND BURIED..

DEZERTER!(oleh Jarek tomasiewicz)

Ditbuhkan Dlm May,'81 dgn nama SS20/ 4 org punx dari Warsaw..Skandal-V/Robal-G/ Stepa-B/K.-D....Mula terkenal selepas konsert Mokotow Musical autumn,Dec.'81...SS 20 kurang bermain dlm. '82 ttp mereka sertai konsert "Rock-Galicja" dimana mereka menjelajah Tenggara POland dgn. TOY XENNA dan DEUTER.

August,'82, bermain diFEstival Jarocin/ ketika ini SS20bermain style "U.K SUBS"..... 83 1983, SS20 ditukar nama kpd " DEZERTER"!!!! dan mula bermain style "OI" yg lebeh keras spt Exploited.

June'83, dijemput ke-Festival Rock Arena diPoznan, dan dlm. Aug. Mereka mengepalai band-band punx yg lain diFestival Jarocin//!!!..dari itu syt. rakaman negara,TONPRESS ,mula mengeluarkan 50,000 keping single DEZERTER (7"EP):4 lagu, "War Of Stupid"/ "Ask The Policeman"/"toward the Future"/"Grey Reality". Pada musim panas '84,mereka bermain dikelab Ryiera,Warsaw. Dgn tetamu spt. Zygzak(TOY XENNA) dan Kelner(DEUTER)..Muzik mereka berubah dr kpd satu original mereka yg lebeh keras,berat & tersendiri!! Kita dapat menyaksikannya diJarocin'84 dimana mereka bermain selama 90 minit...satu set yg dianggap "Brilliant!"... diganggu beberapa kali oleh penganjur festival yg cuba merujuk mikrofon mereka!! Apabila desakan Skandal dan Hagen (manager) utk.keadaan yg lebeh baik utk. punx menari tidak dihiraukan ,para penganjur dibaling oleh penonton dgn segala amende yg ada!!!WOI//

lirik-lirik yg ditulis oleh Przysiek, juga merupakan satu aspek penting DEZERTER..Lagu-lagu mereka "fresh","intelligent",dan"uncompromising"..mereka mempertahankan hak-hak as asasi manusia ketika perang,keganaaan dll...spt.dlm.;" I was Born 20 Years After The War!"/ "Salvador"/"Nuclear Death"...Tentang totalitarianisma.. ("Hey! Mr.General"/"The Palace")..Tentangk ketiadaan toleransi..("Fanatics"/Register of lunatics")..Tenteng... pengasingan diri..("There's Gas In The Air")..Propaganda.. ("Poster"◊..Politik..("WHO?"Swindle")..KEcetekan & KEbodohan budaya pop..("Don't Cry Zbyszek"/"T.V Show"◊.... Boleh diketakan lirik DEZERTER terdiri dari pergolakan jiwa remaja kepada sajak-sajak humanis/kemanusiaan yg matang!!!

Budak-budak DEZERTER merupakan org yg baik, disegani oleh semua..spt DI-Jarocin'84, ketika 2,3 ribu punxs menjerit "Skan-dal! Skan-dal!...", skandal menjerit kedlm mikrofon.."HOI! berhenti!!Kamu semua tak perlukan HERO utk. hidup!!!/!"...

Semenjak Jamboree pertama "The Cynical Youth Of The Nuclear Age" diGdynia,Feb.'86..,Mereka bermain dgn pemain Bass baru-Pawel!..Mereka mungkin menjelajah U.S.A bersamaC.C.M dan Vicious Circle ..
