Posted on 2023/02/14 by darknights

Solidarity Poster from Indonesia for Alfredo Cospito who is on hunger strike. Long live the subversive and anarchist prisoners who are on a hunger strike! Indifference and passivity will never be our allies; solidarity will be. As well was expressed in a letter with a bullet inside to the Italian newspaper “Il Tirreno”: “If Alfredo Cospito dies, all the judges are a target”. Let’s let the Italian state know that if Alfredo dies, we will be his worst enemy. freedom for Alfredo Cospito end the 41bis isolation regime!

Dan untuk ini juga kami memberi anda senyuman, pelukan, ciuman, kedipan mata, dan solidaritas abadi kami!

Death to all the state!

Long live Anarchy!

Long Live CCF/FAI-IRF!

Long Live Black International!

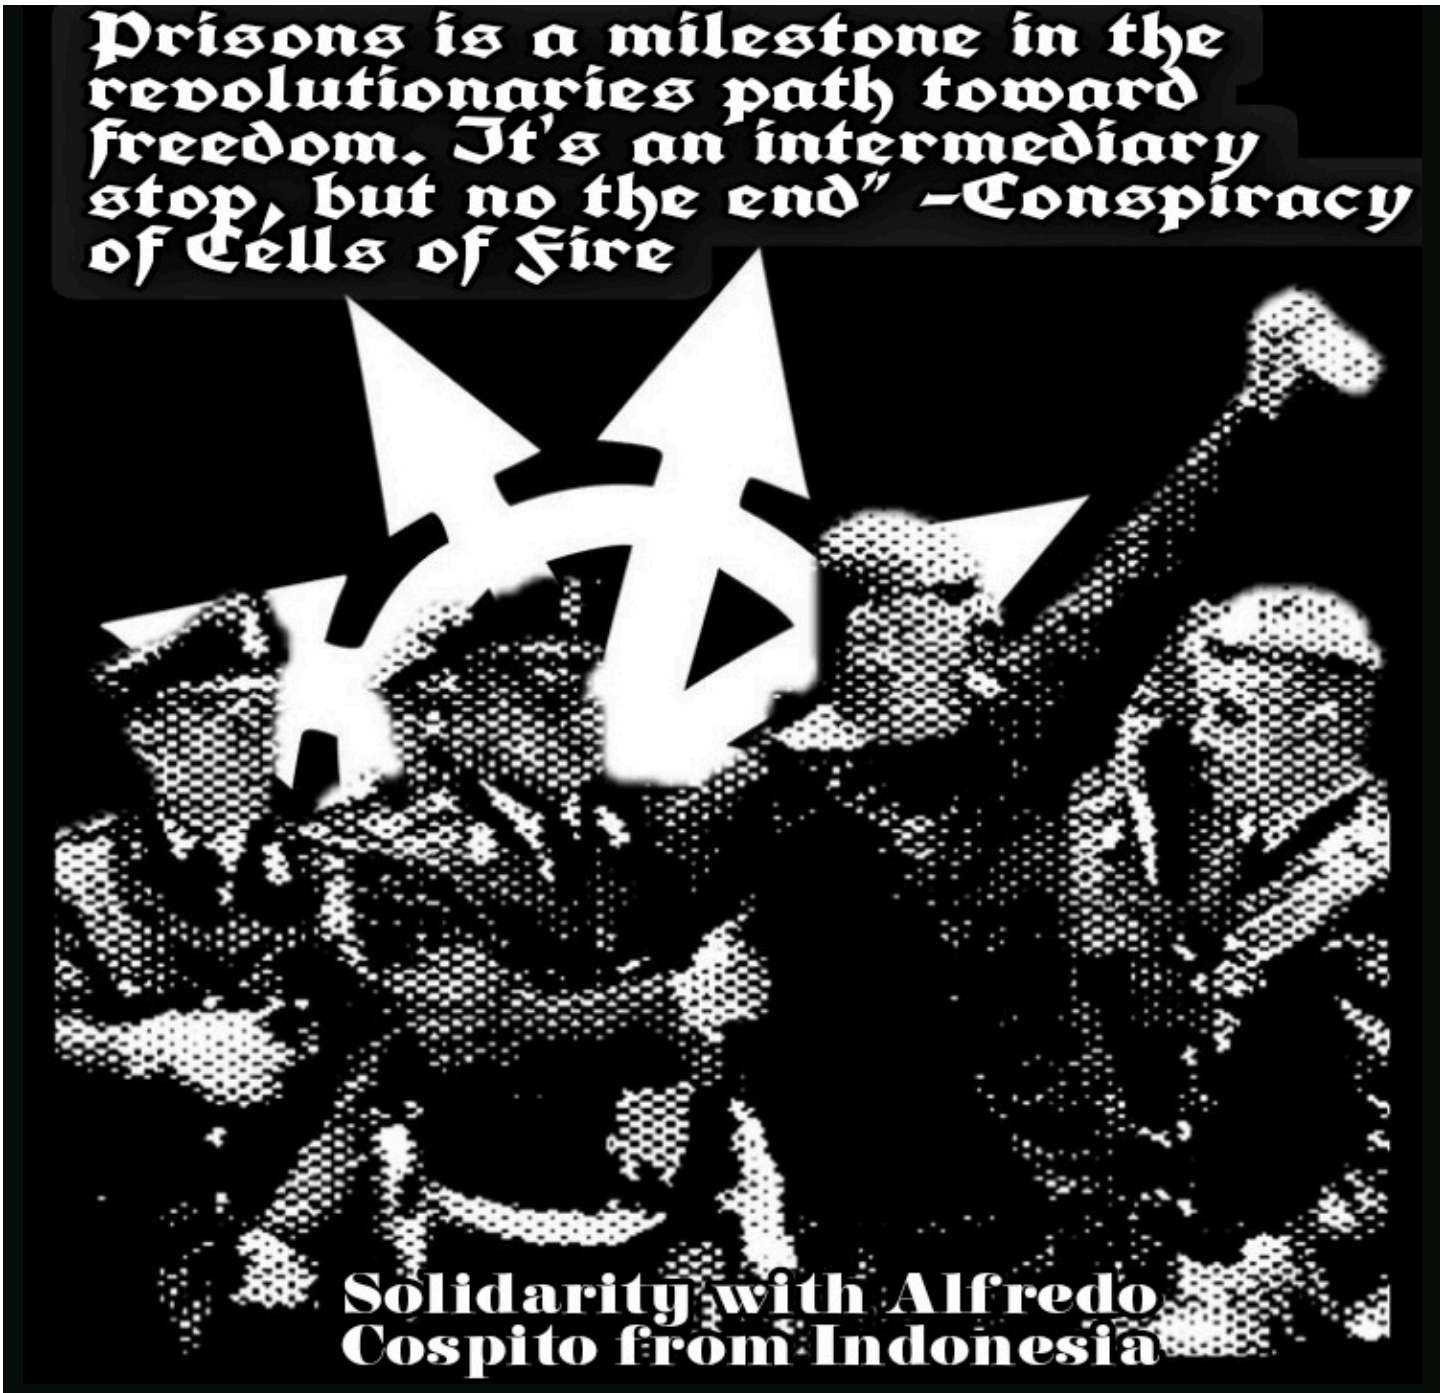

Let’s attack the state!
