Incitement to Burn!

On the night of last Tuesday, May 18, 2021, we attacked a Waskita Beton Precast Inc in Klaten, Central Java by using Molotov cocktails, And on the night of May 21, we also attacked PT. Adhi Karya Persada Construction Division II in Palembang and attacked the outside of a BNI bank ATM. However, from some of these actions we did not get any response from the mass media. But we will always develop our practical practices to produce the joy we arm!

As we know based on information from the anarchist information web (https://kontramedia.noblogs.org/post/solidaritas-berarti-menyerang-

solidarity-means-attack/), several corporations in the construction sector are involved in land grabbing in Wadas village.

For what they do (exploitation), they have the right get this act of revenge. We are disgusted and refuse to wait for others to fix the situation. Our struggle is not like those out there naively passively waiting for a major apocalyptic uprising. We want everyday confrontation against the state and capitalists. This is our symbolic praxis of lighting a fire to make new informal cells and, as Alfredo Cospito said through the proposal of a new anarchy manifesto or its black international a few weeks ago, we will always adjust words and actions, as we believe it!

This action is none other than solidarity for those who have been confiscated and repressed by the police who justify the act of land grabbing. Nor do we forget the struggle of Pakel residents, and those in Pancoran, Tamansari, Kulon Progo, Barabaraya, and from Papua, Rojava, Chili (Mapuche), Greece, Spain, Italy, England to Palestine and Colombia!

SOLIDARITY FOR WADAS VILLAGE!

SOLIDARITY FOR PAPUA, ROJAVA AND PALESTINA!

SOLIDARITY FOR NOSTATE COLLECTIVE SERVERS IN THE NETHERLANDS AND 325 COLLECTIVES

SOLIDARITY FOR MONICA CABALLERO, FRANSISCO SOLAR, MARCELO VILLARROEL, JUAN FLORES RIQUELME, TOBY SHONE AND FOR ALL SUBVERSIVE ANARCHIST COMRADES. WE DIDN'T CALL HIS NAME BUT YOU'RE ALWAYS IN OUR HEART AND WILL NEVER FORGET!

Long live Anarchy

Long live Conspiracy Cells of Fire / FAI

Long live the subversive and anarchist prisoners on hunger strike!

Death to all states!

Solidarity means attack!
