評価（この欄だけ使用して下さい）Comments(Please use this space only.)

I have read Danarto's works, Godlob, Adam Ma'rifat, and Berhala. I was so impressed by his colourful experiences that he poured in his literary works. His short stories show originality and express deep religiosity. Danarto has made a break through in the history of modern Indonesian literature.

Hopefully, the Professional Fellowship from the Japan Foundation can be an intensive introduction about Japanese literature and its society for Danarto, and also intensify his works in the future.
