HELLO
my name is

"Born to be Wild"
Tepi Kolam dengan air
Keruh, Tanaman Liar
Sebagai pengantinnya.
Duduk tenang di bawah Lampu
Remang, seorang jadis
dengan Linting di tangan.
Matanya terang, menatap langsit gelap. Hentikan segala
kebisingan di sekitar. Menuntun jiwanya merasuki dunia
terdalam. Mencekam tetapi nyaman! Ribuan
kata melintas di otaknya Tali yang semakin
mencekat, darah yang semakin pekat, otak yang
semakin terikat. Berkali-kali berusaha dilepas!
Tapi kesadaran tak lagi ada di batas

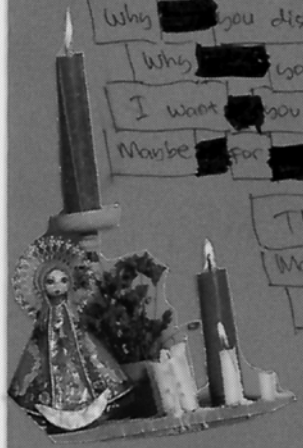

Kiss me and kiss me again
Keep me with your warm
I can't stop staring at your eyes
that's so beautiful for me

Your legs, I adore
your smell, I addict
your smile, I bite
everything about you, like drugs for me

Why you disappear?
Why you left with that shadow?
I want you for a while
Maybe for tomorrow and next days

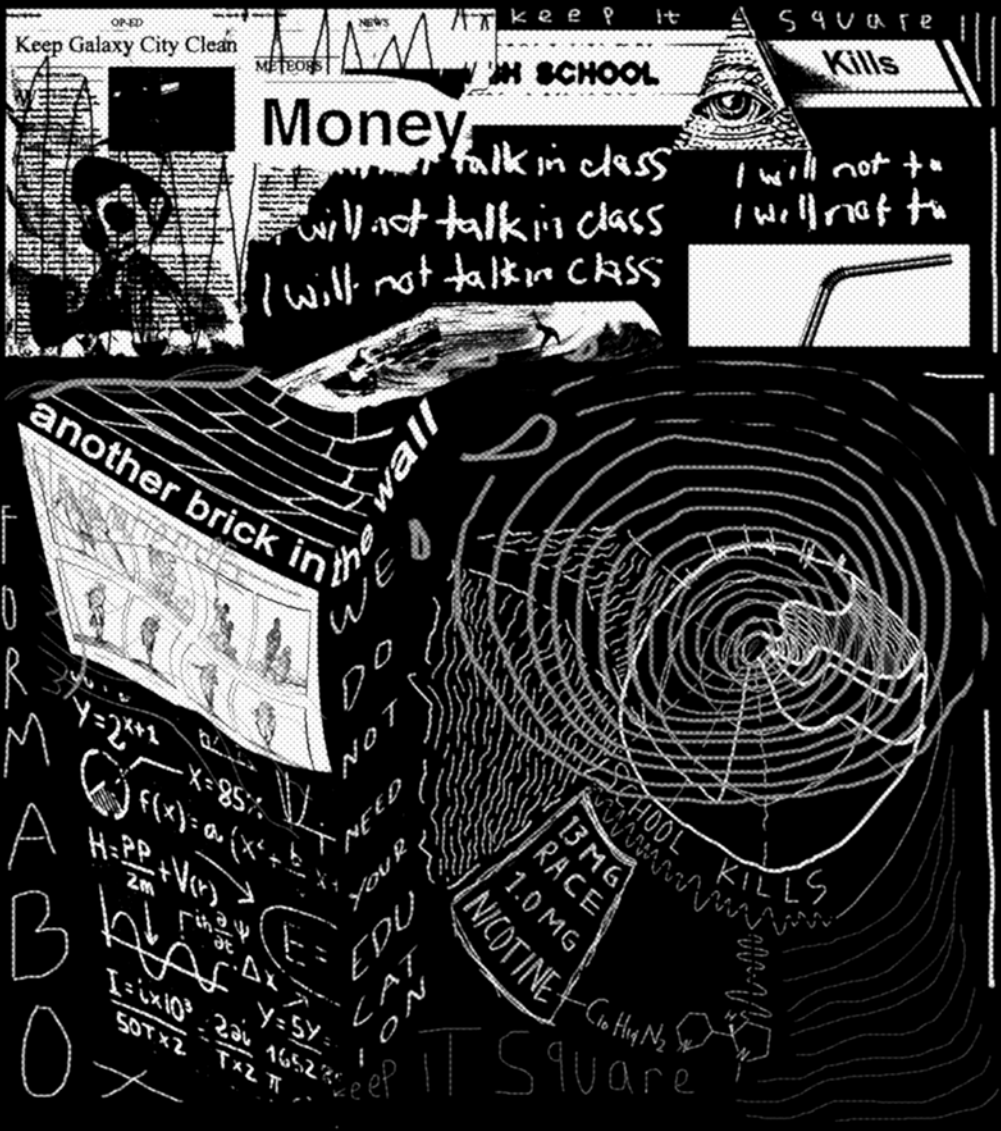

This sorrow, like berry and cyanide
Makes me so desperate
Lost at the big hole
Drowning at the blue lagoon
