"Born to be Wild"

Tepi Kdam dengan air

Kekuh, Tamanan Liar

Selbagai pengantinnnya.

Duduk tenang di bawah Lampu

Remang, seorang gadis

dengan Lintang di tangan.

Matanya terang, menatap

langit gelap. Hentikan segala

sesala

kebisingan di

sekitar.

Menuntun jiwanya

menasuki dunia

terdalam. Menekam

tetapi nyaman!

Ribuan

Kata melintas di otaknya

Tali yang semakin

mencekat, darah yang

semakin pekat, otak

yang

semakin

terikat. Berkali-kali

berusaha dilepas!

Tapi kesadaran tak lagi

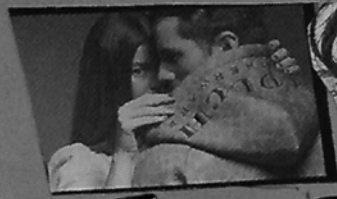

ada di batas

THE M31

"Two of Us" The Beatles

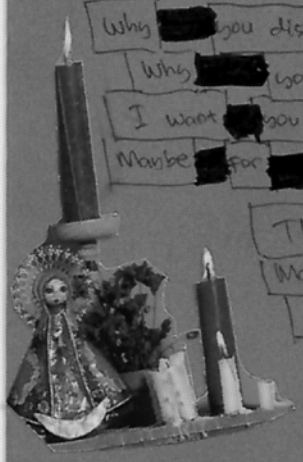

Kiss me and kiss me again
Keep me with your warm
I can't stop staring at your eyes
that's so beautiful for me

Your legs, I adore
your smell, I'm an addict
your smile, I bite
Everything about you, like drugs for me

Why do you disappear?
Why do you leave with that shadow?
I want you for a while
Maybe for tomorrow and next days

This sorrow, like berry and cyanide
Makes me so desperate
Lost at the big hole
Drawing at the blue lagoon
